Indefatigable historians have dug up the fact for King George's consolation that the "Little Corporal" was himself a bad horseman.

As a matter of fact, so many blunders have been made in Great Britain since the war began that it would be impossible to saddle all of them on one man.

COUNTY COTTON REPORT.
Editor Argus:—I am directed by the Department of Census to state to you that Wayne county ginned prior to Nov. 14, 1915, 19,585 bales cotton as compared with 21,731 same date last year.

Respectfully,
FLOYD H. UZZELL,
Special Agent.

Distress in the Stomach.

There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padghan, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." Obtainable everywhere.

C. W. Post left a fortune of approximately \$30,000,000, thus proving the truth of the old adage that it pays to advertise.

OUR JINNEY OFFER—This and 5c.
Don't miss this, cut out this slip, enclose with five cents to Foley & Co., Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound, for coughs, colds and croup, Foley Kidney Pills, and Foley Cathartic Tablets. Sold everywhere.

Went to the Hospital.
C. E. Blanchard, postmaster, Blanchard, Cal., writes: "I had kidney trouble so bad I had to go to the hospital. Foley Kidney Pills completely cured me." Men and women testify they banish lame back, stiff joints, sore muscles and sleep disturbing bladder ailments. Sold everywhere.

Locating the Trouble.
When one is suffering from backache, rheumatism, lumbago, biliousness, sharp pains, sore muscles, and stiff joints it is not always easy to locate the source of trouble, but nine times out of ten it can be traced to overworked, weakened or diseased kidneys. Foley Kidney Pills have benefited thousands of sufferers. Sold everywhere.

Mr. Root had nothing to say after his presidential boom collapsed in New York. Perhaps what he wanted to say wasn't fit to print.

Cheaper Than Home-Made.
You cannot make a good cough medicine at home for as little as you pay for Foley's Honey and Tar, nor can you be sure of getting the fresh, full strength, clean and pure materials. Did you ever hear of a home-made cough medicine doing the work that Foley's is doing every day all over the country? Sold everywhere.

Judging from past performances, the haste with which the European belligerents deny they are seeking peace lends some color to the reports that they are doing so.

Made Over Again.
Mrs. Jennie Miner, Davidson, Ind., writes: "I can truthfully say Foley Cathartic Tablets are the best I ever used. They are so mild in action, I feel like I had been made over again." They keep stomach sweet, liver active and bowels regular. They banish constipation, indigestion, biliousness, sick headache. Sold everywhere.

Beware of Cheap Substitutes.
In these days of keen competition it is important that the public should see that they get Chamberlain's Cough Remedy and not take substitutes sold for the sake of extra profit. Chamberlain's Cough Remedy has stood the test and been approved for more than forty years. Obtainable everywhere.

A SAD COMMENTARY.

"I know nothing more disheartening than the announcement recently made that the United States—the one great country left in the world free from the hideous, bloody burden of war—is about to embark upon the building of a huge armada destined to be equal or second to our own," said Lord Rosebery, presiding at the Rhodes lectures at London university.

The burden of keeping pace with the United States in armament will continue on European nations, thinks Lord Rosebery. He is saddened by the thought that the United States, "so remote from the European conflict, should voluntarily in these days take up the burden, which, after this war, will be found to have broken, or almost broken, our backs."

LAW'S HAND ON MRS. McADOO.

Summoned to Court For Excessive Auto Speeding.

(Baltimore Dispatch.)
Mrs. William G. McAdoo, wife of the Secretary of the Treasury and daughter of President Wilson, and two young women companions have been reported to the office of the Automobile Commissioner for driving a motor car at excessive speed near Baltimore. A hearing will be held tomorrow before a magistrate at Savage, Howard County. The magistrate called up Secretary McAdoo's home in Washington today and gave a verbal summons for the appearance before him of Mrs. McAdoo, her companions and the chauffeur.

A speed of nearly 60 miles an hour is charged against the chauffeur. Luther Jones, motorcycle guardian of the Washington road, said he chased the McAdoo car from Savage before he overtook the automobile near the Baltimore city line. It took him 17 minutes to do it.

Savage is 14 miles from Baltimore. At the rate indicated the McAdoo machine was running at an average of 50 miles an hour.

Laurens, Md., Nov. 22.—Eddie Hayden chauffeur for Secretary of the Treasury McAdoo, today paid a fine of \$25 to Justice Gosnell at Savage, Md., for speeding.

Looking around us we see many persons in middle life struggling along with poor vision, who might be enjoying normal sight today if they had consulted a competent Optometrist and worn glasses when there was yet time to preserve the sight. A defect in the sight is not as a rule a disease of the eye, so often it is a condition which the proper glasses will not only relieve, but many times entirely cure, sight is restored, eyes are made strong, headaches disappear, the nervous strain is relieved and the eyes are saved perhaps from blindness. Visit my office and learn more about correcting imperfect sight.

Rheumatism and Allied Pains—They Must Go!

Cured Boy of Croup.

Nothing frightens a mother more than the loud, horse cough of croup. Labored breathing, strangling, choking and gasping for breath demand instant action. Mrs. T. Neureuer, Eau Claire, Wis., says: "Foley's Honey and Tar cured my boy of croup after other remedies failed." Recommended for coughs and colds. Sold everywhere.

The less a wife finds out about her husband the more suspicious she is of his actions.

How to Prevent Croup.

It may be a surprise to you to learn that in many cases croup can be prevented. Mrs. H. M. Johns, Elida, Ohio, relates her experience as follows: "My little boy is subject to croup. During the past winter I kept a bottle of Chamberlain's Cough Remedy in the house, and when he began having that croupy cough I would give him one or two doses of it and it would break the attack. I like it better for children than any other cough medicine because children take it willingly, and it is safe and reliable." Obtainable everywhere.

Home Celebration of Wonder Interest

The arrival of a baby in the household completely changes the entire aspect of the future. But in the meantime, during the anxious period of expectancy, there is a splendid remedy known as "Mother's Friend" that does wonders. It is for external use, relieves the pains of muscle expansion, soothes and quiets the nerves, extends its influence to the internal organs and removes to a great extent the tendency to worry and apprehension. It is a natural treatment, safe for the mother, has no drug effect whatsoever and for this reason must exert a most beneficial influence upon those functions directly connected with motherhood. In a very interesting book the subject is freely discussed and a copy will be mailed free to all expectant mothers by Bradfield Regulator Co., 708 Lamar Bldg., Atlanta, Ga. Get a bottle of "Mother's Friend" today of any druggist. Use as directed and you will then know why mothers for nearly half a century have used and recommended this splendid aid to motherhood. Their letters are messages of cheer, that breathe comfort in every word.

It is worth while to know that "Mother's Friend" has been in continuous use more than half a century. Letters are frequently received to say that a young mother learned of this splendid remedy from her mother and from her grandmother both of whom used it with happiest results.

Because of this fact you may rely implicitly upon its safety, its effectiveness and its directness of purpose.

Backache, headache, dragging pains, Nothing relieved me until I took Peruna

Thousands of the best women in the world are bearing the burden of backache, headache, dragging pains, a miserable half-dead, half-alive condition, produced by chronic internal derangements. Mrs. Joseph Lacle, 124 Glenora Ave., Ottawa East, Ontario, Canada, is one of the fair women of America who has had her experience with this sort of a burden. Her experience is similar to the multitude of other women whose letters are recorded in the "Ills of Life." A copy of this free booklet ought to be in the hands of every housewife in the United States. Read what Mrs. Lacle says:

"I suffered with backache, headache and dragging pains for over nine months, and nothing relieved me until I took Peruna. This medicine is by far better than any other medicine for these troubles. A few bottles relieved me of my miserable half-dead, half-alive condition. I am now in good health, have neither ache nor pain, nor have I had any for the past year. If every suffering woman would take Peruna, they would soon know its value and never be without it."
