This is the old Quaker Bridge which has afforded a crossing place on Trent River in Jones County's Oak Grove Community for the past 42 years. It replaced an old wooden bridge which was destroyed in a flood in 1908. The present bridge causes two right angle approaches to the river which in turn causes a traffic hazard at this point. It is also only wide enough to accommodate one vehicle at the time. (Photo by Jack Rider)

**BIRTH ANNOUNCEMENT**

Mr. and Mrs. William F. Eubanks announce the birth of a son, Dannie Franklin on June 24 at Parrott's Hospital in Kinston.
