Answer to Puzzle No. 106

If YOU FEEL that your hose don't give you the long wear you feel they should, then start giving them judicious care which will keep them going to a gallant old age.

Three pairs of hose purchased in the same color will give the same amount of wear as nine pairs, each in a different color. One stocking always wears much longer than the other, and it can be teamed with several other hose, if they're alike in color.

Remove all rings, bracelets and ornaments from hands and fingers before putting on hose. Smooth fingernails with an emery board, too, so that there can be no catches in the hose.

Always fasten garters in the double hem at the top of the hose.

RECIPE OF THE WEEK
Chicken Yorkshire (Serves 6)

2 cups diced, cooked chicken
2 eggs
1/2 cup drippings, melted
1 cup milk
1 cup sifted flour
1 teaspoon baking powder
1/2 teaspoon salt
Leftover gravy
Place chicken in bottom of greased casserole and set in moderate oven to heat. Beat eggs, drippings and milk together. Sift dry ingredients together and add to liquid ingredients. Beat until free from lumps. (Batter will be quite thin.) Pour over chicken and bake in a moderate (350 degree F.) oven for 30 minutes. Serve from baking dish with leftover gravy.
