

### James Grady On US Destroyer Lofberg

FAR EAST (PHINC)—Serving aboard the destroyer USS Lofberg is James E. Grady, seaman, UEN, son of Mr. and Mrs. Wilbur E. Grady of 1013 East Bright St., Kinston.

The Lofberg is operating with fast carrier Task Force 77 off the east coast of Korea.

### Benefit Supper 29th

Members of the Rainbow Home Demonstration Club are serving a home-grown, home-cooked chicken barbecue supper from five until eight Friday night at the home of Mrs. Avon Mitchell at Hooker's Crossroads. Proceeds from the supper will go into the club's building fund which is now running pretty

short at the Rainbow Community Building nears completion. For the past four years the Rainbow HDO women have been working toward completion of their community building and now with the goal in sight their funds have run low and they plan to have a dinner at least once a month to raise enough money to complete the building.

NAMED AIR FORCE HEAD . . . Gen. Nathan F. Twining, 55, (left) receives congratulations of air force secretary Harold E. Talbot (right), after President Eisenhower designated him air force chief of staff to succeed Gen. Hoyt Vandenberg, retiring. Lt. Gen. Thomas D. White (center) is new vice-chief.

### THE BAFFLES

By Mahoney

### The Great Fight

A great fight is in progress among turf writers, horsemen and spectators. Thousands of those who witnessed the greatest horse race of them all, the Kentucky Derby, are convinced that Native Dancer is one of the great horses of all time, even if he did lose the race that would have made him immortal to the turf world. The ironic thing about the race was that Dark Star, the winner, was beaten by Money Broker, who finished eighth in the Derby, in the Florida Derby only five weeks before the run for the roses. Money Broker defeated Dark Star by 26 lengths. The Frodo and the Belmont stakes should settle the argument for once and all, but it is hot argument while it lasts. Those who saw the race (at Louisville) contend by bumping Native Dancer up on the first turn out the rest of the race. So that as it may, the fact remains it was a fast Derby, only 2 1/2 of a second off the record. It takes a lot of horse to do that.

You could look the whole town over, trying to learn who buys it . . . who sells . . . who rents . . . who repairs. Or you could do it faster—without leaving your easy chair—by looking in the **YELLOW PAGES**.
