

"JONES AWER ELECTED TO STATE OFFICE"

At the Short Course held at A. & T. College in Greensboro this summer Richard Barber a senior 4-H member and President of the Jones High School 4-H club was elected President of the State 4-H Council for 1956-57.

During Richard's 4-H club career he has completed fifteen projects. At present he has chickens, corn and a forestry project that consist of 5,000 pine seedlings that was planted in 1952. In addition he has participated in the Dairy Cattle Show for three years and has been a member of the county Judging team for several years.

Last summer he was elected by the State 4-H Committee as a delegate to attend the 4-H Regional Camp held at Howard University in Washington, D. C. His selection to attend this camp was based on his 4-H project activities and junior leadership.

Other 4-H boys attending the 4-H week from the county were Donald Jones, Sylvester Murrell, Joseph Solomon and Robert Brown. These 4-H members were under the supervision of Fletcher Barber County Farm Agent.

The skidmarks above indicate that 18 year-old Eugene Page was lucky to escape with minor cuts and bruises Tuesday afternoon when he tumbled into the path of this car being driven by Willie Frank Sutton of La Grange route three. Both were headed in the direction of Kinston on US 70 when Page, riding on a scooter, made a left turn

into Mount Vernon Park where he lives with his parents, Mr. and Mrs. Willie Page. Sutton says he had just started to pass the scooter when Page began to turn. He applied his brakes and skidded for 24 steps and had luckily almost come to a stop when his car finally hit the scooter.

sociates. Both are closely related to the democratic ideal. To enforce either against the other by law takes something away from the ideal. To seek accommodation of

the one to the other by voluntary action supports the democratic ideal and is likely to bring the most practicable and enduring solution. Christian Science Monitor
