

Havelock Woman Killed Saturday in Kinston Wreck

Mrs. Beverly Hawkins, wife of Master Sergeant Vernon Hawkins of Havelock, was instantly killed at 10:15 last Saturday morning in a head-on crash eight miles west of Kinston on the LaGrange highway.

Jack Bunn, Duke University student from Bethesda, Md., driver of the other car in the fatal crash, suffered a broken pelvis, severe cuts about the face and a dislocated hip. An exchange student from Turkey, a co-ed at Duke riding with Bunn, suffered a broken bone in one foot and severe shock.

Five girls, including two of Mrs. Hawkins' daughters, who were being taken to a Scout meeting in Goldsboro, were hospitalized from the crash.

Linah Young, Patricia Ann Douglas and Caroline Coker were discharged Sunday after emergency treatment and examination. Mrs. Hawkins' daughters, Janice, 15, and Leslie, 9, remain in the hospital from more serious injuries but this week they are reportedly "out of danger" and doing fair.

Investigating Patrolman Wesley Parrish says eye-witnesses reveal that Bunn's car swerved slowly over to the wrong lane of traffic for no apparent reason and that both cars crashed at about 55 miles per hour. Bunn will be charged with manslaughter.

This picture looking east on US 70 Saturday morning shows how far Jack Bunn's car had gone to his left before crashing head-

This picture describes with brutal impact the crash that claimed the life of Mrs. Beverly Hawkins of Havelock Saturday morning between Kinston and La Grange. The Hawkins car is at left and the car of Jack Bunn, Duke University student from Maryland, is at right.

Commissioners Ask Hargett Place Jones County Under Provisions of Election Laws

John Holden Named Maysville Mayor

By Mrs. Robert F. Moore
John R. Holden Jr., auto dealer, defeated his opponent Nolan B. Jones by a narrow margin to win the office of mayor in Tuesday's biennial election in Maysville.

The returns revealed that the following were elected to the Board of Aldermen, the names appearing in the order in which they were elected: Robert L. Mattocks, Jere W. Pelletier, W. W. Brafford, Harry Bryant and Fannie Foscue. W. W. Brafford and Fannie Foscue were the only incumbent members of the previous Board.

Was Bass Stewed?

The Trenton Volunteer Fire Department held a large fish stew Saturday night honoring Fire Chief Bass and Fire Chief Sgt. Smith both from New River Air Base.

Chief Bass and Chief Smith demonstrated their service in instructing the fireman of Trenton the means of drafting water. Both found the fire truck to be in excellent condition for drafting, thusly providing more fire safety to the community.

The Jones County Board of Commissioners Monday unanimously voted to ask Representative John Hargett to introduce the necessary legislation to place all Jones County elections under the provisions of General Statute 163-175 which applies to the casting and counting of ballots.

Under this law all persons are required to vote for the number of offices to be filled in each category. The law is aimed at the elimination of single-shot voting, which permits a person, for instance, in voting for the members of the board of commissioners to vote for one rather than for five.

Last year in the senatorial voting several counties in the 7th District, which includes Greene, Lenoir, Craven, Carteret, Onslow and Jones, were under the provisions of this law, while others were not. Those under the law were forced to vote for two senators—which are allocated to the district—but other counties—notably Carteret—single-shot their candidate to the detriment of candidates from other areas.

Resolutions were also passed asking Hargett to introduce enabling legislation that would raise the pay of members of the board of commissioners, welfare and education to \$10 per day plus mileage and raise pay of jurors from the present \$5 per day and one roundtrip mileage to and from court to their home to the actual mileage they travel during a week of court. The three boards now draw \$5 per day and mileage at seven cents per mile.

Beer License OK'd

A beer license for the establishment of Robert Howard on US 17 between Maysville and Pollocksville was approved by the Jones County Board of Commissioners Monday. Earlier the board had vetoed a license for Howard because of his establishment's nearness to a church. But when the board learned that Howard had applied for an off-premise license, rather than an on-premise license they decided to approve the application.

Maysville School Installs PTA Leaders

The Maysville Elementary School Parent Teachers Association met at the school Monday night for the installation of the new officers. The meeting was opened with Mrs. W. F. F. Little giving the devotional using the 19th Psalm.

Mrs. C. D. Smith, outgoing president, presided over the meeting and installed the new officers as follows: President Mrs. Robert Buck, Vice-President Mrs. Sam Pruitt, Secretary Mrs. Albert Bracey, Treasurer Mrs. Bill Henderson.

Mrs. James Barbee presented a record of the "Star Spangle Banner" to the school. The record had been given by Mrs. Rom Mallard on behalf of the Farm Bureau Association.

Refreshments of orange punch and cake with banana cream filling was served by Mrs. Henry Mills, Mrs. William Smith and Mrs. Bill Henderson.

Soil Stewardship Week
MAY 3-10, 1959

During the period of May 3-10, Soil Stewardship Week will be observed in churches of all faiths throughout the nation. The 2825 Soil Conservation Districts in the U. S. are the sponsors of this program.

The 37 districts in North Carolina, which include every acre of privately owned farmland from Manteo to Murphy, invite your special attention to man's obligation to be a good steward in his use of God's gifts of soil, water, plants, and wildlife.

People who live in the city, though they may never see a harvest, have a direct interest in the soils from which they receive the

Honors Awarded to Members Of Jones Girls' Basketball Team

The Jones Central basketball season ended with honors given out Wednesday, April 25.

Varsity letters were given to: Carolyn (Casey) Price, Lillie Faye Banks, Nola Bonner, Wanda Ballard, and Dorothy Webb. Stars denoting second or third year of play, were given to Peggy Craft, Linda Mills, Betty Jones, Jo Ann Craft, Maxine Spence, Glenda Barker, Lois King, Geraldine West and Lana Bonner.

In order to receive "Letters" and "Stars" one must play in half the games on the varsity schedule.

The team chose as "Best Forward" Peggy Craft. The "Best Guard" honor went to Jo Ann Craft. "Best Sportsmanship" went

to Betty Jones. These girls' names will be engraved on a plaque presented to the school by Mr. J. D. Jenkins. This plaque is to hang in the trophy case at Jones Central.

Betty Jones also won the "Free Throw Championship" trophy.

Jones Central had a very successful basketball season. The girls racked up twenty wins to only one loss.

The most exciting game was with Pineland College when Jones Central was victorious over the college varsity by one point. Jones Central in addition to winning the regular season championship, also won the Coastal Plains Tournament, defeating Pamlico County in the finals.

Gold Basketballs were given to each girl on the J. C. squad.

Attorney Donald Brock reported to the Jones County Board of Commissioners Monday that the construction of a clinic for the Jones County Health Department now largely lies in the hands of the General Assembly and whether this body provides sufficient money to the State Medical Care Commission to match federal and county funds for the proposed \$30,000 building.

A site offered free to the county by the Estate of Verder Pollock just beyond Trenton on the Pollocksville Highway has been surveyed by officials of the commission and has been approved.

Under tentative plans agreed upon some months ago by the Jones County Commissioners profits from the County ABC Stores would be used to provide the portion of county funds that would be needed for this building.
