## Maple Grove 4-H Club Meets on 29th With Mrs. Pollock

The monthly meeting of the Maple Grove 4-H Club was held May 29 at the home of Mrs. J. H. Pollock. President Diane Jarman called the meeting to order. Devotional was given by Eva Pollock.

It was decided that the club discontinue meetings in June and July and also that a recreation meeting be held in August.

The first aid kits, which the club is selling, were distributed. A demonstration on "How to Apply Bias Tape to an Armhole" was given by Mrs. Pollock.

The meeting adjourned following recreation led by Donna and Delores Collins.

## Dianne Jarman is Host to Friends For Lively Weekend

Following a week of Bible School, a group of girls was invited home with Dianne Jarman on Friday. During the afternoon they had a wiener roast, and by night were filled with a little of everything. But sleep — they did not. No one ever sleeps at a pajama party.

Saturday Mr. and Mrs. J. R. Jarman took the girls to White Lake for the day and they wore themselves out, so when they arrived home, they were finally tired and sleepy. Guests of Dianne were Donna and Delores Collins, Sonia Harrison and Linda Moore.

## Ten Teen-Agers Wake Up Cedar Islanders

John Hughes Pollock and G. T. Koonce were brave and took ten teen-age boys to Cedar Island for the week. They arrived Sunday along with Mrs. Kenneth Jarman, who is official cook for the crew.

One morning of getting up at 4 o'clock to go crabbing and fishing cured neighbors, (the Pippins) who decided they couldn't take a week of it.

They plan to return Friday to see if anyone is left.
