## "Teen Topics"

By TERESA CREAM

Hi! I can't tell you how happy I am to be writing a column for teenagers. Now that summer's here we're really going places and doing things. We're always making news, and that's exactly what this column is — teen news.

To begin with, I'm afraid I have some bad news for many. Nancy Newsome, who has been living in Pollocksville for the past year, is leaving this week for Okinawa where her father, Col. J. W. Newsome, will be stationed. In the short time that Nancy have been here she has made a lot of history! We'll never forget her crazy antics and her wonderful personality. Jones Central won't be the same without Nancy. We're really going to miss her.

Robin O'Bryan and Billy Moore attended pre-registration at UNC for a few days during June. We hear Mr. Porter gave them a "grand tour" of the kitchen in one of the dining halls. We hope they had a good time, anyway.

John Hughes is visiting his sister and brother-in-law in Plymouth this week. Wonder what he'll find to do up there?

### Wonder . . . . .

If Charlotte Gardner is enjoying her vacation in Tennessee?

If Linda Jenkinns would be interested in any of Donna Parker's activities?

If Betty Becton enjoyed her visit to Bogue Sound?

When Mary Dixon is going to decide — Bobby or Allen?

If John Hughes and Mary Margaret Whitfield enjoyed the dedication of the Pollocksville Post Office Sunday afternoon.

What Annette Lowery is doing about getting promoted to ninth grade?

Teens all over the state have been

expressing their opinion on the law banning Communist speakers in our state-supported colleges and universities. We hope that all teens will support this law. We also have a serious duty to perform in speaking out for our nation whenever possible. We must show that communism can not triumph over democracy.

Well, that's all for now. See you again, soon.
