CREAGH**

Hi! I've just returned from a week at the beach with my cousin, Jim Sabiston, from Jacksonville and two of my aunts, Mrs. Alice Lee George, of Comfort and, Mrs. Sallie Sabiston, of Jacksonville. I had such a great time that I'm going back this weekend!

We have some very exciting news this week. Creagh Bell and Robert West left July 16 for a European tour. They will travel to New York by bus and will arrive there on July 17.

They will tour the city and will depart that afternoon by plane for Glasgow, Scotland. While there, they will also visit Edinburgh.

They will then tour London, Paris, Brussels, Prague, Budapest, and West Berlin where they will also view East Berlin from the Berlin Wall.

They will then tour Copenhagen and afterwards return to London.

They will depart for home on August 6 and will arrive August 7. On their tour they will visit many artistic and historical points of interest as well as agricultural facilities in the eight countries.

The purpose of the tour is to promote good will between the people of America and Europe and to represent our way of life to other nations. It is sponsored in part by the Future Farmers of America.

The two boys will travel with 11 other boys from North Carolina, and their leader will be Oliver O. Manning from Dunn.

Also traveling with them will be 18 boys from Florida. We wish Creagh and Robert the best of luck and hope they will have a wonderful time!

Donna Mallard had a pool party for her birthday at Sue Booth's Saturday afternoon. The teens enjoyed swimming, cooking out, and playing records from three o'clock 'til seven. Those attending were Nancy O'Bryan, Annette Lowery, Charles Pollock, Paula DeBruhl, Sue Booth, Alan Mallard, Larry Mallard, Kathy Gilbert, Brenda Jo Eubanks, Rose Marie Orfitelli, Joey Orfitelli, and Rosemary Mallard.

Visiting the John Booths for the summer are Rose Marie and Joey Orfitelli and their mother, Mrs. Joseph M. Orfitelli, all of Fresno, California.

Wonder

If Mary Dixon and Kathy Roper had a "swinging" time at Teen Canteen?

How Carol Chapman got out of having three dates on the same night?

If Ann Parker enjoyed her house party at Atlantic Beach?

If Brenda Hill and Barry Henderson have really broken up?

Why Kathy Roper is afraid to speak to Danny Terry?

If Freddie Costello had a good time at Atlantic Beach last week?

If Carol Nance is happy that she's become a teenager?

Good-by for now. See you again next week!
