Wonder . . .

What a "dedbeat" is?

Who won the boys' game between Jones Central and Richlands? (contributed by Cy Whaley.)

What Kathy Roper's horoscope said last Saturday?

If Nancy O'Bryan is looking for trouble?

If anybody has run in the ditch lately?

Who the two "Shirley Jarmans" are?

If there's anyone who "thinks too much"?

If a Ouija Board "always" tells the truth?

HEARD: Julia McCoy saying, "Where is she? Where is she?"

FLASH: The fortune-telling is in full swing now, so everybody look out!!

We've really had some excitement in basketball lately. Our games with Richlands last Tuesday night were about as close as they come.

At the end of the first quarter of the girl's game, our girls led by 4 points. However, when half-time rolled around, the score was tied 13-13.

By the end of the third quarter, Richlands had picked up 3 points to lead by a score of 23-20. Late in the fourth quarter, the score was again tied. With 14 seconds to go, Wilson sank one to give the Rockettes a 2-point lead and to win the game. Black and Dillahunt were high scorers for Jones Central. Black had 13 points and Dillahunt had 10.

In the boys game, there was quite a bit of excitement. The game ended in a tie. A 3-minute overtime was called for after Mercer sank a field goal with 47 seconds to go.

Going into the overtime, the score was tied 43-43. Richlands scored, and Booth and Mercer scored for the Rockets.

The score was then 46-45 in favor of Jones Central. With 23 seconds to go, Richlands again scored to take the lead. Turner then scored for the Rockets with 10 seconds to go. This made the score 47-46 in favor of the JC Squad.

But Richlands wasn't going to give up without a fight. With 2 seconds remaining, they again scored to win the game by a score of 48-47. Davis, Yates, and Booth led the scoring action for JC. Davis had 14 points and Yates and Booth each scored 9.

In our games last Friday night with Wallace-Rose Hill, our girls were defeated by a score of 30-25 in a hard-fought game. Our boys game was close, but in the end we were defeated by a score of 60-47. Davis was high-scorer with 20 points.

I'd like to say a little about our FHA initiation, but I hardly know where to begin. The upperclassmen really kept the Freshmen hopping! I think, though, that the prize should go to Jackie Potter and Sharon Mateja. They had Mary Ann DeBruhl doing everything in the book and a few new things!! However, all of the Freshmen were initiated in a pretty thorough manner.
