#### Mooseheart Protection

The world-famous "Child City" of Mooseheart, Illinois, provides a happy home, loving care and ideal family life for qualified children of departed Moose members. At Mooseheart, in the lovely Fox River valley west of Chicago, young Mooseheart citizens are "readied" for a full life . . . given a complete high school education . . . trained in one or more useful vocations. Nearly 1,000 boys and girls are cared for in 135 modern buildings on 1,200 peaceful acres of carefully tended grounds. Many mothers come with their children to Mooseheart. Good American living is traditional at Mooseheart.

#### Moosehaven Security

FOR YOUR LATER YEARS . . . A PLACE IN THE SUN . . . Moosehaven in sunny Florida provides each qualified Moose member and his wife with a feeling of future security. In the beautiful vacation surroundings of Moosehaven they can spend their declining years together . . . should misfortune come. At Moosehaven, they enjoy all the comforts and many of the luxuries of life. There's time for recreation . . . enough work and responsibility to make life interesting . . . and strong friendships that mutual interests develop. Wife and husband are together. The knowledge that comfort and security in later years is assured removes worry now! It's real security.

#### Community Service

Believing that man can attain no higher destiny than service to his fellowman, the Loyal Order of Moose has developed an extensive and varied program of activities for the betterment of local communities throughout the nation. Special emphasis has been placed on youth activities in providing broad and wholesome avenues of recreation and training for the future "Citizens of Tomorrow." The Golden Rule has become the axiom of the Moose Fraternity.
