This week I would like to dedicate my column to the Jones Central cheerleaders. When, in the heat of sports activities, we tend to overlook this group who work so hard to maintain school spirit, they deserve a lot of credit for they give our teams the support they need. Club, the Monogram Club, and the Pep Squad.

Our head cheerleader this year is Dianna. Dianna is 16 years old and is a sophomore. She has done a great job this year, and we really appreciate her loyalty and hard work. She is a member of the French Club, the Math-Science Club, the Monogram Club, and the Pep Squad.

Our other cheerleaders are as follows:

1. Betty Becton — Betty is 15 years old and is a sophomore this year. She is secretary of the Future Homemakers of America and also secretary of the French Club. She is a member of the Math-Science Club and the Pep Squad.
2. Martha McDaniel — Martha is a Junior and is 16 years old. She is a member of the Future Homemakers of America, the French Club, the Future Teachers of America, the Math-Science Club, and the Pep Squad.
3. Donna Collins — Donna is head cheerleader of the Junior Varsity squad, but she also cheered on the Varsity squad during the last part of the basketball season. She is a Freshman and is 15 years old. She is a member of the Future Homemakers of America and the Pep Squad.
4. Teresa King — Teresa is a 16 year-old Sophomore. She is a member of the French Club, the Math-Science Club, and the Pep Squad.

5. Sharon Mateja — Sharon is a 16-year-old Junior. She is a member of the Future Homemakers of America, the French Club, the Future Teachers of America, the Monogram Club, and the Pep Squad.

6. Anne Mallard — Anne is 16 years old and is a Sophomore this year. She is a member of the French Club, the Math-Science Club, and the Pep Squad.

7. Sandra Jenkins — Sandra is a Junior and is 17 years old. She

is a member of the Beta Club, the French Club, the Future Teachers of America, the Monogram Club and the Pep Squad.

8. Julia McCoy — Julia is 16 years old and is a Sophomore this year. She is the Jones Central Homecoming Queen for 1964. She is treasurer of the French Club, and is a member of the Math-Science Club and the Pep Squad.

9. Norma Sue Barrow — Norma is a 17-year-old Junior. She is a member of the Beta Club, the Future Homemakers of America, the Future Teachers of America, the French Club, the Math-Science Club and the Pep Squad.

The sponsor of the cheerleaders this year is David Porter, math teacher at Jones Central. He is a graduate of the University of North Carolina.

We would like to thank Mr. Porter and all of the cheerleaders for their loyalty to Jones Central, their maintenance of school spirit, and, most of all, their hard work which has made them, in my opinion, one of the best cheering squads in the state.

Wonder . . .

Why Nancy O'Bryan wanted to go to Trenton last Sunday?

If Mary Dixon enjoyed her stay in Louisburg last weekend?

How Betty Becton's foot got hurt?

Who saw Mr. Bob and Mr. Hobo at New Bern last Saturday?

Why Brenda Hill doesn't believe in Ouija Boards?

Where Michael O'Bryan was last Sunday?

If Anne Mallard noticed anybody in particular in the choir last Sunday night?

HEARD: Betty Becton saying, "Anne's knocked her fender off again!!"

as number of college graduates.

Surely the negro has not attained every goal he seeks in the South, but neither has the Southern white. Surely there has been discrimination against negroes in the South, just as there has been discrimination to the point of murder of whites in The Congo. Or to be more current; just as the Grecian majority discriminates against the Turkish minority in Cyprus. Or as the Catholic Nhu Regime discriminated against Buddhists in Viet Nam.

Know the truth, and it shall set you free.
