## WSCS Installs Its Officer on Tuesday

Miss Jackie Jones introduced and presented the program at the Tuesday evening meeting of the WSCS, held in the social room of the church. She used as her subject, The Greek Orthodox Church. She also gave the devotional, with scriptures from 1st Corinthians, and read a guild hymn taken from the Methodist Woman, "Song of Peace." One hymn was sung and several prayers were offered.

Afterwards, officers for the coming year were installed, with Mrs. J. P. Pelletier conducting the installation service. A table, covered in white was placed in the center of the room. The cross was placed in the center of the table, with a globe on one end and the emblem of the WSCS placed on the other end. As each officer took her vows, she held in her hand a cross to which there was attached a ribbon.

The cross was passed to each lady as she pledged her service and support and gave scripture connected with her office. Upon completion, the ladies had circled the table, representing the circling of the globe with their work. Mrs. Nolan Jones read the hymn, "Take Up Thy Cross" and Mrs. Pelletier closed with prayer.

Mrs. C. L. Morgan conducted the business portion at which time they voted to contribute toward sending a mentally retarded child to summer camp and to contribute to having work done on the parsonage. Mrs. Morgan announced that the School of Missions will be held August 10-14 at the Methodist College in Fayetteville and passed out leaflets concerning the school. She also had registration cards available for those desiring to attend.

Upon conclusion of other business, the meeting was closed with unison reading of the Purpose and Mrs. Pelletier and Mrs. Jones served ice-cream floats and cookies.

Others present were Mesdames: J. C. Foscue, Henry Mills, Alma Shaw, R. N. Knight, N. N. Mattocks and Miss Nell Jones.

## Garden Time

I have on my desk processed samples of shrimp, dark meat of chicken, white meat of chicken and apple rings. Peaches, strawberries and other fruits and vegetables will soon follow.

All of these products have been prepared by a new process known as "freeze drying." The product is first frozen and then the moisture is removed from the product under vacuum. Just enough heat is added to allow the removal of moisture from the product in vapor form. In other words, the liquid state is by-passed.

Special equipment is necessary which at the present time is expensive. However, I look for the cost of processing to be reduced and this method of preservation to gain extensive use. The freeze dried products become light, very porous and are easily re-constituted and made ready for table serving.

There seems to be a bright future for apple juice concentrate. This would be similar to orange and grape concentrate and would give the apple industry a boost.

Apple concentrate is already available on the West Coast and has been well accepted by food stores. It is anticipated that the processor will use about 2,500,000 bushels of apples per year for this purpose.

A supermarket in Hackensack, N. J., is using a machine to create the odor of fresh, ripe strawberries near the frozen food counter. It is reported that frozen strawberry sales have soared. A gimmick that works.

In one of Italy's pear growing areas growers are hanging bottles in the trees and placing the small pears inside, the idea being that the fruit is protected and will ripen

## "Teen Topics"

BY TERESA CREAGH

Well, another summer has come and from the way things look now it will be a full one!! Already, many changes have begun to take place, especially at Jones Central. We would like to pay tribute to our departing Principal, Mr. David L. Nance, and to the teachers who are leaving, Mr. Pat Lynch, Mr. Guy Miller, and Mr. Dalton Shingleton. We would like to wish all of them the best of luck and much happiness. A teacher or principal can not leave a place without leaving behind a part of themselves, because their job is to teach. They will all be missed greatly.

I'm sure that everyone is well aware that last Saturday was the date of the Democratic and Republican primaries in North Carolina. You may wonder why I am mentioning this in a supposedly teenage column. I have a very good reason. It is my opinion that teens should take an active interest in politics. We should not be indifferent to the subject simply because we can not vote. On the contrary, only if we take a keen interest during our teen-age years will we

faster and more perfectly. When the fruit has matured, the bottle will be detached with the pear inside, filled with pear juice, sealed and sold as a pear in a bottle.

"An-Nah-Pah-aLh-Dey" — pronounced "An Apple A Day". This is the name of a new song recorded by George Gobel on Columbia records.

This bit of promotion for the apple industry should be good news to growers and the consuming public. At least, it will be free of Beatles.

be prepared to vote when we are older. After all, voting is not something to be taken lightly; it is a duty and a privilege. In a sense, if we go into a voting booth without some knowledge of all the candidates, we have failed our country. It is our patriotic duty to carefully weigh the qualifications of each candidate and choose the one we feel will serve in the best interest of all the people. That is why politics and can and should be important to us as teenagers.

The Kappa Gammas will begin play rehearsals on next Tuesday night, June 9, at Jones Central at 7:30 P. M. The group hopes to be able to give a performance of "The Neighbors" sometime in the latter part of this month.

What song is on the flip side of "You Don't Own Me"?

If we've seen any "peroxide blondes" running around lately?

What Betty Jo Hudson is doing in Georgia?

If anyone has had any telephone conversations lately?

If the Bobbsey Twins "are going to end up driving me completely crazy?"

If Robin O'Bryan will make a good "cowboy"?

HEARD: Nancy O'Bryan saying "You'd have to lengthen . . . etc.!"

## TO THE CITIZENS OF THE 5TH SENATORIAL DISTRICT:

I take this opportunity to express my sincere appreciation for the splendid vote extended me on Saturday. Words cannot express my gratitude to everyone who supported and helped me.

To the other candidates, Thomas J. White, Rufus E. Butner, Jr., and Burl C. Hardison, your fairness and friendliness throughout our campaign will be valued always and I am sure that the citizens of the 5th Senatorial District would like to join me in expressing appreciation.

Sincerely,  
Sam L. Whitehurst
