Miss Morgan Honoree at Surprise Bridal Shower

Mrs. Robert Mattocks and her daughter, Mrs. Walter Gerock of Alexandria, Va. were co-hostesses at a surprise miscellaneous bridal shower, given at the Mattocks in Maysville last Thursday.

The home was beautifully decorated and the color scheme of green and white was carried out, both in decorations and refreshments. Lovely arrangements of summer flowers were used in the living room while the dining area featured a hanging arrangement of white flowers, centered with a bride and groom.

The refreshment table, round in design, was covered in white organ-dy over green with a ruffled organ-dy skirt. In the center was a five branch candelabra, placed on a reflector, around which were placed white mums. It held five white candles, surrounded by varying sizes of white mums, entwined with ivy and fern.

The cake, also surrounded by ivy, was white topped with a touch of green and featured wedding bells.

Served with the cake were white ice cream molds with green designs; also butter mints, nuts and punch. Mrs. C. L. Morgan, mother of the bride to be, poured the punch and Mrs. H. W. Gerock, mother of the groom to be, served the cake.

Before the shower, those present enjoyed playing 4 tables of bridge, one table of canasta and one table of chinese checkers. High scorer in bridge was Miss Sylvia Jenkins, second high was Mrs. Margaret Mallard with Miss Morgan receiving the consolation prize. Mrs. Franklin Riggs received the prize for scoring high in canasta.

Later, when other guests arrived, Mrs. Gerock, lifelong close friend of the honoree, brought in a covered baby carriage and asked Miss Morgan to introduce the Gerocks infant daughter, Ginny Lynn, to the guests. Removal of the cover disclosed a carriage laden with gifts for the bride to be.

The hostesses presented Miss Morgan with a corsage of white

mums upon arrival and their gift to her was a large silver bowl. They also presented corsages of white carnations to Mrs. Morgan and Mrs. Gerock.

Well, I suppose there is only one way to begin this week — School has begun!!!! No matter what that statement may mean to different individuals, it is a serious one.

To some, school is an exciting place, a place to have a good time.

To others, it is a place to learn simply for the sake of increased knowledge.

To still others, it is just a place to go because there is nothing else better to do.

What then is the real purpose of school? I believe that it is to grow; to develop young people morally, mentally, physically, and spiritually, so that we may be better equipped to face tomorrow's world.

In this capacity, school is of vital importance, because not only is it a place to learn but also a place to have fun and to share exciting experiences.

This school year should be an excellent one, but even with our wonderful faculty, administration, and facilities, much of the effectiveness of Jones Central depends on us, the students.

Therefore it is imperative that we give our full support to every facet and program of our school,

never forgetting that Jones Central is a school of which we can be very proud.

Robin O'Bryan has returned from Oklahoma where he has spent a good portion of the summer. Yes, he has hung up his boots and saddles and has given up "ridin' the range" for awhile. He returned home looking like a real cowboy.

NOTICE: Patricia Brock is arriving back in town this weekend. That is all that I'm going to say; you can take it from there.

Wonder . . .

Why Sue Booth wanted to go to Jacksonville last Sunday?

What happened to Robin O'Bryan's new Corvette? ?

If anything will be left of Atlantic Beach after this weekend? ?

Who was looking for Brenda Hill last Saturday night.

If Nancy O'Bryan is about to get in some more trouble?

Remember that our first football game is Friday night (Sept. 4), and we're going to win!
