## "Teen Topics"

BY TERESA CREAGH

Well, the football story this week is a short one. The JC Rockets lost their first conference game to James Kenan last Friday night. However, the game was a good one, and we're proud of the way our boys played. The game this Friday night is at South Lenoir. Even though this is an "away" game, our boys still need our support; in fact, they need it even more when not playing on the home field. So let's try to have a good crowd at the game.

Last Wednesday, about 11 JC students had the privilege of meeting Dan K. Moore, the next governor of North Carolina. Mr. Moore was in Trenton on his tour of North Carolina's 100 counties. We enjoyed talking to Mr. Moore and his wife very much. I believe that they are both interested in the welfare of the high school and college students in the state, as well as other important aspects of the state's economic, social, and political life.

The campaign for Student Council officers at Jones Central is now in full swing. However, at the time I am writing this, no definite date for the election has been set. The candidates who have filed up until now are as follows:

- PRESIDENT — Rodney Collins, Mike O'Bryan, Wayne Turner, and Cy Whaley.
- FIRST VICE PRESIDENT — Cecil Banks, Vance Eubanks, and Dickie Murphy.
- SECOND VICE PRESIDENT — Ellis Banks, Norma Barrow, and Glenn Greene.
- SECRETARY — Sheila Black and Sallie Pollock.
- TREASURER — Phyllis Eubanks and Libby King.
- PUBLIC RELATIONS OFFICER — Carol Chapman and Teresa Creagh.

I was able to get statements from two of the candidates for president. I hope that I will have statements from the other two by next week. Anyway, here's what the two boys had to say:

MIKE O'BRYAN — "Jones Central has been needing a Student Council for several years, and since this is the first year that there has been a chance of getting one, I would like to see it become successful. If I am elected president, there will be immediate action and a firm foundation will have been formed for future Student Councils at Jones Central."

CY WHALEY — "I am running for the office of Student Council president because I think that the president should be a person who does not have certain friends to repay after the election. Every person has an equal vote, but do all have the same privileges? I know that I would treat everyone the same."

Every year about this time, the Junior class undertakes a magazine sale. At the present time it is in full swing. The money received from the sale of these magazines will enable the Junior class to finance the Junior-Senior Prom and Banquet and also to present a nice gift to the school; so if anyone is interested in helping the school and the Juniors, please contact a member of the Junior class as soon as possible.

Wonder . . . What has been the matter with Dianne Jarman and Betty Becton lately? What certain Trenton girl Dal Morton is "interested" in?

By the way, I almost forgot that Mike O'Bryan told me to say that his brother (Robin) has gone back to UNC.

Let me leave you with this thought: SMILE, and you'll always feel more like you do now than you did yesterday.

Well, that's all for now. Stay happy . . .
