Basketball practice has begun at Jones Central, and our teams are really looking good this year. Our first game of the season is scheduled for December 2.

Two Freshmen girls at JC have adopted a policy of "share and share alike," and they really practice what they preach! I think that's a nice thought, don't you?

I'll close with this thought — It matters not whether you win or lose, so long as you know in your heart that you're right.

Company has announced a reward of \$100 for information leading to the arrest of robbers near their home. The two men, Carl Williams of Early and John R. Nichols of Louis J. Parsons, were convicted in Wilson County Superior Court on October 21.

Williams received a sentence of 18 to 24 months on the roads, while Nichols was sentenced to two years on the roads, suspended on payment of a \$100 fine and costs of court.

The \$100 reward was paid by the telephone company to Mrs. Dorothy Bass and her brother, James Ricks. They had observed the two men tampering with a coin telephone at a restaurant near their home about one mile from Elm City. They notified law enforcement officers who apprehended the two men.

Carolina Telephone offers a standing reward of \$100 for information leading to the arrest and conviction of persons who rob or damage coin telephones. During 1963, it paid \$500 in such rewards. In addition, the company is working closely with law enforcement officers and installing alarms in numerous coin telephones to prevent robberies.
