

**THE VETERANS CORNER**

**Q** — I had National Service Life Insurance prior to January 1, 1957 and let it lapse. I am now uninsurable by any commercial company at their highest rates because of disabilities not the result of service. May I apply for insurance when the new insurance law becomes effective on May 1, 1965?

**A** — Yes. If you can establish that your uninsurability existed on October 13, 1964, the date the law was passed.

**Q** — A number of buddies at the plant had injuries or diseases in service but did not file a claim with the Veterans Administration. Should we file now to establish service connection in order to qualify for insurance under the program effective May 1, 1965?

**A** — Yes, information and assistance may be obtained at any VA office.
