The curriculum at Jones Central for next year has been extended a great deal. Many new courses have been added, both on the academic level and in the area of vocation occupations. On the commercial level, Distributive Education is being added.

All in all, Jones Central will offer a curriculum next year that will be suited to the needs of almost everyone. Jones Central is already a school of which we can be very proud, and it promises to be even more so in the future.

All World War I veterans in Lenoir and surrounding counties are cordially invited to attend the Sunday afternoon meeting here in Kinston.

The Jones Central baseball team won its second game of the season last Friday by defeating the James Kenan team by a score of 3-2.
