### Light Docket for Jones Court at Last Session

Absence of Highway Patrolmen Bert Mercer and Wesley Oakley last Friday resulted in a light session of Jones County Recorder's Court since the only traffic charges cleared were those in which the defendants had submitted and paid the specified fines to the clerk.

Non-traffic cases heard by Judge Joe Becton included the nol prosequendo of a worthless check charge against Cleveland Mattocks of Maysville, 30 days in jail suspended on payment of a \$10 fine and costs for assault with a deadly weapon for Amos Murrell of Trenton and a suspended 30-day jail term for Jake Dawson of Cove City for non-support.

Dawson's jail term was suspended on condition he pay into the court \$20 every two weeks for support of his children.

Traffic submissions included the following who paid the costs for minor offenses: Andrew Abney Jr. of Maysville route 1, Edward Purvis of Maysville route 1, Albert Earl Haynes of Greensboro, Linwood Dalton Collings of Jamestown route 1, Glen L. Stanley of Jacksonville and Johnny Kay Owens of Kinston route 6.

### Father Brings Suit For Son's Injuries

Jones County Superior Court Clerk Walter Henderson reports filing one suit brought during the past week in his office.

The complaint was brought by Tom Brimage, acting as "next friend" for his minor son, Franklin Earl Brimage.

The suit alleges that the young Brimage was riding in a car owned by Jesse Baines and driven by Franklin Leon Smith on the night of August 2, 1963.

Brimage claims that the drove on a rural paved road between Cove City and Trenton at speeds of 85 miles per hour and wrecked the car, and that in the wreck his son suffered painful and extensive injuries.

The action is brought against Baines, owner of the car, for \$2,000, alleging that Smith was his agent and his responsibility.

At 7 a.m. Monday 40 year-old Henry Calvin Helms of Kinston route 3 was instantly killed when his car hit the railing of a bridge across Beaver Creek in Jones County on a rural paved road that runs through the Copeland Farm. Helms was impaled by a 2-by-6 railing from the bridge.
