"Teen Topics"

BY TERESA CREAGH

Well, I'm back again. However, I must say that I almost didn't make it this time. It seems that there is a certain machine which just isn't too fond of me.

Our baseball and track seasons are well under way at Jones Central. Baseball games scheduled for next week are as follows: April 5, Camp Lejeune, Here; April 6, Kinston, there; April 7, James Kenan, Here.

Our Rockets travel to South Lenoir for a track meet on April 6.

We would like to welcome to the JC faculty Mrs. Gladys Oakley. Mrs. Oakley holds a master's degree in Administration and Supervision from East Carolina College, and she will be directing the Remedial Reading Program at Jones Central. Special classes in Remedial Reading will be held in a specially built room designed for the future incorporation of a language laboratory.

We would like to offer special congratulations this week to Walter Adams. It seems that there was some mix-up at the District Science Fair, and Walter was named this week as one of the winners in the Senior Physical Division. This means he will be competing in the North Carolina State Science Fair to be held this weekend at N. C. State University in Raleigh. Walter's project is entitled "A Continuous Wave Diode Laser."
