Second '66 Jones Highway Fatality Claims Camp Lejeune Marine Monday

The second highway fatality of 1966 on Jones County roads took place at 5:30 Monday morning on US Highway 17 just inside Jones County, near the Craven County line.

Patrolman Bert Mercer said the victim is Joseph C. Brooks, 30, a Marine stationed at Camp Lejeune.

Brooks was driving southward on 17 and lost control of his 1967 car in the first curve

south of the Craven County line. He was thrown out and was pronounced dead upon arrival at Craven County Hospital.

Mercer says recently several serious wrecks have taken place in this same curve. He also pointed out that Brooks was not using his seat belts, and it is his opinion that his life might have been spared if he had been using them, since he was thrown from the car when it left the road and rolled over.

Brooks was riding alone and there were indications that he was travelling rather rapidly when he lost control of his car.
