

Kinston Recreation Commission Gets Federal Grant to Help Buy Parkland

Tuesday Kinston officials were notified by Congressmen Walter Jones and L. H. Fountain that the Department of Interior has approved a grant of \$44,720 to the city recreation commission.

This grant comes from fees collected by the federal government for use of government-owned recreational facilities.

This particular grant will be matched by a similar amount to buy a 21½-acre site in Northwest Kinston, joining the Adkin Canal, and west of Heritage Street.

The Kinston funds are part of the \$330,000 recreation bond issue that was approved by Kinston voters last year.

Other projects in the working from this bond issue include development of Southside Park in Lincoln City, renovation of the pool and recreation building at Emma Webb Park, construction of a multi-purpose building in the Teacher Memorial School area and improvements of lesser magnitude in all other city parks.

Jones Rabies Clinics

Rabies Vaccination Schedule
Tuesday, May 7, 1968

1 P.M. - Comfort — Philyaw's Store

1:45 P.M. - Trenton — Health Department

2:45 P.M. - Pollocksville — Armstrong's Store

3:45 P.M. - Maysville — Fire Station

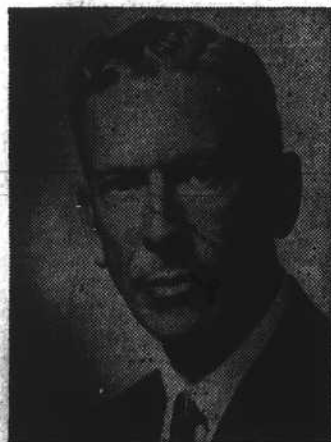

Due to lack of cooperation in the past, it necessary this year to cut out a number of clinics, but we would like to stress that even though there has not been a case of rabies in Jones County for a number of years, we are subject to have it at any time because of the fact rabies is still prevalent in Western North Carolina and numerous other parts of the United States.

If you are unable to attend one of these clinics, please take your dog to a Licensed Veterinarian for the immunization. When a person has been bitten by an animal suspected of having rabies it shall be the duty of such persons to notify the County Health Director immediately.
