

EGGS HATCHING OR JUST A CHICKEN are often a sight to behold for the little ones at the State Fair. The Children's Barnyard for years has been one of the more popular attractions at the Fair for young and old alike. It will be open during the entire run, Oct. 17-25.

4-H Work to Be Featured at State Fair

The 4-H club exhibits at the 1969 N. C. State Fair will feature a special 13th booth devoted to a science project.

The new exhibit — to be constructed by the Johnson County 4-H Club — will be on display for the full nine fair days, October 17 through 25.

Traditionally 4-H exhibits are created by 12 clubs from across the state to illustrate the various themes and goals of 4-H work.

If the new exhibit meets high standards of creativity, communication to viewers, education, design and construction, it will be eligible for a \$225 special award.

The traditional 12 exhibits will compete for a \$325 first prize, \$300 second prize, \$275 third prize and \$250 fourth prize. Participation awards of \$225 each will go to the other eight clubs.

Two county clubs from each 4-H district are selected to compete in 4-H fair exhibits. Competition is limited to 12 because of limitations of display space.

The exhibits will be judged at 10 a.m. opening day.

Area clubs participating are Lenoir County, importance of water safety stations at farm ponds; and Greene County, modern communications.

Competition will also be held

among individual 4-H members in crafts, fine arts, photography. The crafts will include exhibitions of basket weaving, candles, sewn items, knitting, metal work, mosaics, pottery, rugs, stenciling, woodcarving and wood working. Prizes in craft competition will be \$5 first, \$3 second and

LaGrange Voters OK Sewer, Water Bonds

In Tuesday voting a majority of LaGrange's 625 voters went to the polls and overwhelmingly approved the issue of \$575,000 worth of bonds for improvements to the town's water and sewer systems.

By a vote of 269-to-74 they approved the issue of \$250 in water bonds, which will be used to connect the city to an artesian well at the Blue Bell plant two miles east of LaGrange and for further extensions of the system within the town limits.

By a vote of 261-to-77 they approved issue of \$325,000 in sewer bonds for numerous extensions of the sewer system into recently annexed areas not presently served by the town's central sewage collection and treatment system.

This was LaGrange's first bond issue election since 1926.
