

Congressman Walter B. Jones Reports on Congress Activities

This column could be properly titled "Pollution — Supreme Court — Executive Branch," for these are the important subjects of the week.

The House action ending the week of May 16 ran the gamut from making legal the flying of kites in the District of Columbia to approving a Presidential Re-Organization plan, which many of us believe will completely change the operations and the conduct of the Executive Branch of government. In addition, it will bypass the authority of the Bureau of the Budget — a department of government which has served both the public and the Congress well. The plan calls for the creation of an Office of Management and Budget, giving the President the power to appoint six of the highest level Civil Service positions to administer its functions. This could well become one of the most powerful offices in government. Ironically, the six Executive positions will be by appointment, but immediately will be covered by Civil Service status which means that succeeding Presidents could not make changes in personnel commensurate with the political philosophy. Finally, the Re-Organization will add 90 White House employees in addition to the 4,000 persons now employed by the Executive Office of the President. It is estimated that salaries for this new Commission will exceed \$1,000,000. In the first year, increase to \$1.5 million in the second, and if the history of bureaucracy is any guide, it is impossible to estimate what this amount would ultimately be.

The motion on this important question was to disapprove the recommendation, which means that a yeas vote was voting against the plan, while a no vote was voting for the plan. On final passage, all North Carolina Democrats voted against the plan, while the North Carolina Republican members voted to approve the plan. The motion to defeat the plan failed by 29 votes.

Some two years ago, much was said about removing some of the Washington centralization and giving back certain powers to the various states. Certainly the Re-Organization plan which creates another block in a bungling bureaucracy is contrary to this philosophy.

Pollution — in the ever-growing concern regarding this important subject, the House took another positive action which I

was happy to support. The President's budget request for water and sewer assistance improvements to the municipalities of this nation was for \$150 million. Along with others I joined in a successful effort which will increase this to \$500 million for the next fiscal year. It continues to be important that the Congress carefully consider priorities. We need to be concerned about the preservation and cleanliness of the earth far more than investigating the contours of the moon.

The Senate finally confirmed the ninth member of the Supreme Court — Harold Blackmun. Since he was from the state of Minnesota and not from the South, few if any questions were asked in the Judiciary Committee hearings.

cluding the acquisition and installation of the equipment, machinery and apparatus required therefor and the acquisition of the necessary lands or rights-in-land pursuant to an order of the North Carolina Board of Air and Water Resources made on September 30, 1968, and a tax to be levied for the payment thereof, and also the bond ordinance adopted by the Board of Commissioners of said Town of May 5, 1970, which authorizes the issuance of said bonds for such purpose and the levy of such tax.

The ballots to be used at said election shall contain the words "FOR the ordinance authorizing \$225,000 of bonds to finance the construction, within the corporate limits of said Town, and not exceeding one mile beyond the corporate limits thereof, a sanitary sewer system to be maintained and operated by

the Town for the collection, treatment, and disposal of sewage including the installation of sewer collection lines and trunk and transmission lines and pumping stations and the construction of sewage treatment facilities including the acquisition and installation of equipment, machinery and apparatus required therefor and the acquisition of the necessary lands or rights-in-land pursuant to an order of the North Carolina Board of Air and Water Resources made on September 30, 1968, and a tax therefor" and the words "AGAINST the ordinance authorizing \$225,000 of bonds to finance the construction, within the corporate limits of said Town and not exceeding one mile beyond the corporate limits thereof a sanitary sewer system to be maintained and operated by the Town for the collection, treatment, and disposal of sewage including the installation of sewer collection lines and trunk and transmission lines and pumping stations and the construction of sewage treatment facilities including the acquisition and installation of the equipment, machinery and apparatus required therefor and the acquisition of the necessary lands or rights-in-land pursuant to an order of the North Carolina Board of Air and Water Resources made on September 30, 1968, and a tax therefor" with squares besides the words "FOR" and "AGAINST" in one of which squares the voter may make an (X) mark to indicate his choice.

In the event that the qualified voters approve the indebtedness to be incurred by the issuance of said bonds and the tax therefor and said ordinance, the bonds authorized by said ordinance will be issued for the purpose stated and an annual tax

sufficient to pay the principal of and interest on said bonds will be levied.

The polls for said election will open at the hour of 6:30 o'clock A.M., and will close at the hour of 6:30 o'clock P.M.

The polling place for said election shall be the usual polling place in the Town of Maysville, namely: The Fire House.

The Board of Commissioners has appointed W. E. Raiford to act as Registrar and Jackie J. Morris and Anna Belle Jones to act as Judges of Election for said election.

The Registrar will be furnished with the registration book used at the last regular election held in the Town of Maysville (being the regular municipal election held on May 6, 1969) and he will revise the registration book so that it will show an accurate list of the electors previously registered in the Town and still residing therein, without requiring such electors to register anew. The Registrar will keep the registration book open for the registration of new electors on each day (Sundays excepted) for the period beginning Friday, the 5th day of June, 1970 and ending on Friday, the 12th day of June, 1970; The book will be kept open on each Saturday during such period from 9 o'clock A.M. until 9 o'clock P. M., and other days during such period from 9 o'clock A.M. until 5:00 P.M. The registration book will be kept open at the polling place hereinbefore named on Saturday, the 13th day of June, 1970, for the inspection of electors and any of such electors shall be allowed to object to the name of any person appearing on said book.

By order of the Board of Commissioners of the Town of Maysville, North Carolina.

Dated May 5, 1970.

AN ORDINANCE AUTHORIZING THE ISSUANCE OF \$225,000 OF BONDS OF THE TOWN OF MAYSVILLE FOR THE CONSTRUCTION OF A SANITARY SEWER SYSTEM FOR THE TOWN.

BE IT ORDAINED by the Board of Commissioners of the Town of Maysville, as follows:

Section 1. The BOARD OF COMMISSIONERS of the Town of Maysville has ascertained and hereby determines that it is necessary that said Town shall construct, within the corporate limits of said Town and not exceeding one mile beyond the corporate limits thereof, a sanitary sewer system to be maintained and operated by the Town for the collection, treatment and disposal of sewage including the installation of sewer collection lines and trunk and transmission lines and pumping stations and the construction of sewage treatment facilities including the acquisition and installation of the equipment, machinery and apparatus required therefor and the acquisition of the necessary lands or rights-in-land pursuant to an order of the North Carolina Board of Air and Water Resources made on September 30, 1968.

Section 2. Said Board of Commissioners has also ascertained and hereby determines that the purpose hereinbefore described is a necessary expense of said Town within the meaning of Section 6 of Article VII of the Constitution of North Carolina and is a purpose for which said Town may raise or appropriate money, and is not a current expense of said Town.

Section 3. In order to provide funds for such purpose, in addition to any funds which may be made available for such purpose from any other source, bonds of the Town of Maysville are hereby authorized and shall be issued pursuant to The Municipal Finance Act, 1921, of North Carolina. The maximum aggregate amount of bonds authorized by this ordinance shall be TWO HUNDRED TWENTY-FIVE THOUSAND DOLLARS (\$225,000).

Section 4. A tax sufficient to pay the principal of and interest on said bonds shall be annually levied and collected.

Section 5. A statement of the debt of said Town has been filed with the Town Clerk of said Town, as required by said Act, and is open to public inspection.

Section 6. This ordinance shall take effect when approved by the voters of said Town at an election to be called and held as provided in said Act.

The foregoing bond ordinance was passed on the 5th day of May, 1970, and was first published on the 14th day of May, 1970.

Any action or proceeding questioning the validity of said ordinance must be commenced within 90 days after its first publication.
