

**Capital Consortium** took time  
To ask some important questions.  
We listened to your responses  
And made some critical changes.

The result is...

## *Capital Development Services*

As part of our commitment to delivering **professional, personalized** services to the nonprofit community, Capital Development Services, formerly Capital Consortium, is proud to re-introduce ourselves to you and your organization.

For 15 years, we have put our expertise to work for hundreds of satisfied clients by providing **experienced** fundraising counsel and publishing **comprehensive** directories on philanthropic giving.

In 1997, Capital Consortium took a year off from soliciting new business to survey the nonprofit community throughout the Southeast. The changes we have made are a direct response to what we heard.

### *So what did we hear?*

You need a fundraising consulting firm that offers **tangible, hands-on** and **results-oriented** services. You want **More** support. **More** follow-through. **More** affordable services. **More** results.
