

FORD RADIOS ARE MUCH IMPROVED

Invisible Speaker is Mounted Above the Windshield. Set is Six Tubes.

With the current year's production totaling close to a quarter of a million sets, the Ford Motor Company announces numerous improvements to the 1936 Ford radio, which is good news for those who expect to put in a car radio as a New Year present to the family.

From the standpoint of appearance, the most important change is the adoption of an invisible speaker, mounted above the windshield. The sloping of ear-level reception. The set continues to be of six tubes, but with a number of chassis improvements. The chassis case has been shortened and made more compact, fitting underneath the instrument panel and above the steering column.

Sensitivity of the Ford radio has been increased and its internal circuit filtering has been improved to keep out external interference, such as that from high tension wires and street cars. For the city driver, especially, reception now is excellent.

The speaker is of a new design mounted flush on the header bar above the windshield. When installed it is completely out of sight, covered by the car trim. The speaker cone has been re-designed to insure improved reception throughout the scale, including high notes and bass notes. Instead of having a three-point tone control, a constantly variable tone control is now used.

It is expected that in 1936 the volume of Ford radios will be materially increased owing to the fact that every day more and more motorists are turning to the use of car radios.

BETHEL FARMERS ENTERTAIN WIVES AT SUPPER MEET

A. G. Bullard, President of Farmers Club, Presided at the Meeting Last Thursday.

GOOD PROGRAMS TO FEATURE MEETINGS

Members of the Bethel Hill Farmer's Club entertained their wives at a supper in the agricultural building at Bethel Hill High School last Thursday night.

A. G. Bullard, president of the club, presided over the meeting. In a short talk after the supper he pointed out some of the accomplishments and activities of the local department of vocational agriculture during the past year.

Members of the club decided to start the annual evening classes on Monday, January 27 at 6:30 o'clock and run them five nights each week for two weeks. Every farmer in the community is invited to attend as many of these meetings as possible. Some special speakers will probably appear on the program.

D. B. Costor of Cabarrus County has two black mare colts coming two and three years old which will probably weigh 1300 and 1400 pounds each when mature although their mother weighs only 1,000 pounds now.

BETHEL HILL SCHOOL NEWS

Miss Sylvia Childress of Jalong, who is sent out by the W. P. A. has been at Bethel Hill school during the past week. Miss Childress is here to teach games and to aid the teachers in developing playground activities. This recreational work is to be developed throughout the Elementary school.

The Farmers Club of the Bethel Hill community entertained their wives at a supper on Thursday night. The supper was served by the Home Economic Department of this school.

School has been in session for a week. Truck service is good. We are hoping for sunshiny weather and better roads. We urge the parents to send their children back to school. The classrooms are warm and comfortable.

P. T. A. has been postponed until the regular February meeting.

TRUSTEE'S RE-SALE OF LAND

By virtue of the power contained in that certain deed of trust executed by R. O. Ford and wife Ida F. Ford, and of record in the Person County Registry, in Book 10 page 12, the bonds secured by said deed of trust having matured and unpaid, and the holder and maker of said instrument having requested that the said power of sale be exercised, the undersigned trustee named in said deed of trust will resell the land therein described at

public sale to the highest bidder for cash at the Courthouse door in Roxboro, North Carolina, on

Saturday, January 25th, 1936 at 12 o'clock noon, said land being described as follows to wit:

That certain tract or parcel of land lying and being in Woodsdale Township, Person County, North Carolina, and described more particularly as follows: Bounded on the North by the lands of John Morris; On the East by the lands of J. R. Morris, and lands of Arthur Beard; On the South by the public road leading from State Highway No. 53 to Woodsdale; and on the West by the lands of Wesley King estate, containing (40 1/2) acres, more or less. Being the land conveyed to R. O. Ford by B. L. Evers and wife. This is a re-sale of said land by reason of an increase bid having been put on the first sale. Bidding will commence at \$661.50.

This 7th day of Jan., 1936.

DID WEDDING BELLS RING FOR YOU

in
1924?

Twelve years ago! And you will probably hear most married folks say, "Twelve years—why that's no time at all! It seems like our wedding day was just yesterday. How time flies!"

See how electric rates have dropped in those 12 short years!

The little chart at the left tells a pleasant story—a steady drop, drop, drop in the average cost of domestic electricity. Other living prices have climbed high, gone down, now are on their way up again. But that most helpful of all modern necessities—**electricity**—has gone merrily downward, is cheaper now than ever.

Now! ANOTHER ELECTRIC RATE CUT

Our newest reductions—effective immediately—bring the boon of **bargain electricity** to the smallest homes. Now everybody can enjoy more leisure and more pleasure, thanks to cheap electric service. And the more you use, the more fun you have in life—and the less it costs you per unit used.

ELECTRICITY IS CHEAP — — **LET'S ENJOY MORE OF IT**

Rates to Commercial Customers are also Cheaper!
