

Miss Cleo Rogers and Haywood Bailey United In Marriage Sat.

A marriage that will be of interest throughout the state was solemnized in the Duke University chapel at noon Saturday when Miss Cleo Rogers of Roxboro became the bride of Haywood Bradsher Bailey. The wedding was one of beauty and simplicity. There were no attendants and only the members of the two families and a few close friends were present for the ceremony.

A program of nuptial music, consisting of "At Dayning," by Cadman, Victor Herbert's "Ah Sweet Mystery of Life," and "All For You," by Bertrand-Brown was rendered prior to the ceremony by Edward Hall Broadhead, University organist.

To the strains of Wagner's "Bridal Chorus from Lohengrin" the bridal couple entered the chapel together and marched down the central aisle to stop at the altar in front of Rev. W. L. Maness, former pastor of the bride, who performed the ceremony. The vows were spoken before an altar balanced on either side with huge baskets filled with pink snapdragons and Easter lilies.

"I Love You Truly," by Bond was played softly by the organist while the nuptials were being pronounced. The beautiful ring ceremony of the Methodist church was used. The bride and groom knelt on a white satin priedieu to receive the final benediction and blessing of their pastor. On rising they turned and left the Chapel to the strains of Mendelssohn's wedding march.

The bride was prettily attired in a suit of powder blue wool crepe with cuffs of grey fur. She wore grey sandals and a flower-trimmed hat of home spun straw in matching color. Her shoulder corsage of Briar-cliff roses and lilies of the valley harmonized beautifully with her pink blouse of georgette. Short grey gloves with pearl fastenings completed her costume.

The guest list included: W. G. Rogers, father of the bride, Roxboro, Dr. R. H. Bailey, South Boston, Va., Messrs. Thomas, Pointer, and John Alden Rogers, Mr. James Reams, Jr., Mr. and Mrs. B. G. Crumpton, Little Miss Hallie Crumpton, Mr. and Mrs. R. A. Gentry, Mr. and Mrs. S. B. Satter-

white, Miss Patricia Slaughter, Mr. and Mrs. Ernest Bailey, all of Roxboro, Mr. and Mrs. M. A. Morgan, New Bern. Miss Lillian Brandon, Denniston, Va., Mrs. W. L. Maness Yanceyville, Mr. and Mrs. John Bailey, Burlington, and Mr. and Mrs. W. B. Jones, Sanford.

The bride is the charming daughter of Mr. and Mrs. W. G. Rogers of Roxboro. She was educated at the Woman's College, Greensboro, N. C. and at the University of North Carolina. For several years she has been teaching in the schools of Person county.

The groom is the son of Mrs. R. H. Bailey, and the late R. H. Bailey of Woodsdale. He is an alumnus of State College, and is a progressive young farmer and business man of this community.

Mr. and Mrs. Bailey left immediately after the wedding to spend the week-end in Richmond, Va. On their return they will be at their home in Woodsdale.

NEW SOIL PROGRAM TO CHECK OVERPRODUCTION

The primary objective of the new soil conservation and domestic allotment act is the wise use of land, but its ultimate objectives are more far-reaching.

"By conserving our soil resources and putting our land to better use," said Dean I. O. Schaub, of State College, "we hope that the production of basic farm commodities will be held in check."

Under the new plan, he said, it will not be possible to control the crop production of individual farms, as under the AAA, but it is believed the program will tend to prevent serious over-production and its consequent demoralization of prices.

The act provides for government grants to farmers for growing erosion-control and soil-building crops such as legumes and grasses rather than soil-depleting cash crops.

Any farmer who wishes to improve his land, and shows evidence that he follows the provisions of the program, will be eligible for compensation from the government, the dean added.

It was realized, he explained, that many farmers could not afford to reduce their crops and increase their grasses and legumes without some financial aid.

The basis on which the payments will be made have not been deter-

mined at present, he continued, but it will probably constitute several methods so that the payments will be as equitable as possible to all growers.

Special consideration is being given the small farmer in view of the fact that many felt the old AAA failed in some respects to give him an equal break with the large planter.

The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it — in comparison with Genuine Bayer Aspirin. We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice. Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct. Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly. You can get real Bayer Aspirin at any drug store — simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

Mothers read this:

THREE STEPS TO RELIEVING CONSTIPATION

A cleansing dose today, a smaller quantity tomorrow, less each time, until bowels need no help at all.

Why do people come home from a hospital with bowels working like a well-regulated watch? The answer is simple, and it's the answer to all your bowel worries if you will only realize it: many doctors and hospitals use a liquid laxative. If you knew what a doctor knows, you would use only the liquid form. A liquid can always be taken in gradually reduced doses. Reduced dosage is the secret of any real relief from constipation. Ask a doctor about this. Ask your druggist how very popular liquid laxatives have become. They give the right kind of help, and right amount of help. The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara — both natural laxatives that can form no habit, even in children. So, try Syrup Pepsin. You just take regulated doses till Nature restores regularity.
