April 26th. To May 2nd. Known As National Baby Week In U. S.

This Edition of Times Devoted to Health of All Babies. Is 2nd Annual Edition of This Kind by The Times.

NO QUINS IN COUNTY

Babies, babies, and more babies. Person County has a large number of the little tots from one month old up to three or four years old. They all need the very best care that they can get and for this reason the Times is publishing many articles that deal with their health.

President Roosevelt issued a proclamation on April 13th proclaiming the dates of April 26th to May 2nd to be known as National Baby Week. May 1st is Child Health Day.

This is the second annual Baby Edition of the Times that has been published. In this edition you will find many articles that deal with care of the babies. They are written by authorities in that particular field. You will also find the ads to be very interesting and instructive; read them all and profit.

The publishers are sorry that no actual pictures of local babies are in this edition, but how could they print the picture of one darling and not get the one that lived next door. Had there been any quintuplets in the county their picture would have been in the paper.

So here's to Baby Week, and may Person County babies be the best and healthiest in the world.

MAJOR BOWES UNIT TO BE HERE TUES.

Unit Number Ten to be at Palace Theatre, May 5th.

On next Tuesday, May 5th, Roxboro will be given the opportunity to hear Major Bowes Amateurs in person. Unit No. 10 of his Amateurs will perform at the Palace theatre. Those featured in the unit are Kay Hamilton, Harry Stone, Luzler and Sloma, Cornelius Vaughn and Frances White. These famous artists enjoy many local fans, and they are eagerly awaiting their arrival.

Each Sunday night they are listened to over the radio; this in itself, is a treat. Yet, it stands to reason that they will be much more interesting when they can be seen. The Palace management is to be commended upon securing this splendid attraction, and the house will, no doubt, be filled to its capacity.

Dr. George E. Vincent, of Greenwich, Conn., nationally known writer, lecturer and educator, will be the principal speaker. He is particularly interested in topics relating to social theory and education, and is well-informed on phases of civic activity as they relate themselves to the Rotary program. For the past three years Dr. Vincent has traveled abroad, and is able to give a penetrating analysis of international problems.

Other speakers include Dr. Amos O. Squires, of Ossining, N. Y., who will represent Rotary International; Dr. Charles J. Smith, president of Roanoke College, Salem, Va.; Henry R. Dwire and Rev. Excel Rosselle. Leading Rotarians throughout the district will also take part in the program.

Local Political Situation Not Attracting Many Candidates

Only Three Candidates Have Filed, But Others Are Known to Be Ready. Time Limit is Over on May 9th.

ONE STATE SPEAKER FOR THIS YEAR

So far very few political candidates have filed with R. B. Dawes, chairman of the Board of Elections. Those who have actually filed and placed the money on the line are S. B. Davis for treasurer, Will Kirby for Register of Deeds, and Jeff O'Brian for the House of Representatives.

It is understood that practically all of the present county officials will again be candidates for their respective offices, and they will probably signify their intention this week. There has been no rumor of any opposition within the Democratic ranks. The Republicans will probably enter a number of contestants.

The time limit for filing expires on May 9th at 6 p. m. After that time is too late to enter the race for the Democratic nomination.

Also things are quiet now it may be that the political situation will live up by next week.

R. T. Fountain, candidate for the U. S. Senate has been the only political speaker this year.

Numerous excuses were offered by the Town Team, but they were defeated and excuses just didn't go very far.

Here is the sad news:

- First Bracket**
- F. Winstead defeated H. W. Newell 6-2, 6-2.
- J. A. Long, Jr. defeated C. Ball 3-6, 7-5, 6-4.

Expect to Enter a Number of Candidates in Field For This Year's Contests. Each Precinct to be Organized.

NOMINATING CONVENTION FOR MAY 9TH.

Approximately twenty-five prominent members of the Republican party met in the Courthouse last Saturday for the purpose of organizing for the political battles that are to take place this year.

Mr. O. Y. Clayton, of Roxboro, was elected as temporary chairman of the party for this county. W. R. Minor was elected secretary.

The Republican party will hold a convention on May 9th at 2 p. m. in the Courthouse for the purpose of nominating candidates for the various county offices. It is not known yet whether they will put a complete ticket in the field or not. It was suggested that all the candidates will be strong contenders.

Each precinct in the county will be organized and every possible thing done to add strength to the party this year.

LOGS FOR SCOUT CABIN ARE READY

Will be Hauled to Roxboro at Once and Actual Construction to Start Soon.

WILL BE ON SAME LOT WITH COMMUNITY HOUSE

It won't be long before the Boy Scouts of this county will have a nice log cabin. The logs, furnished by O. B. McBroom, have been cut and are ready for hauling. In a few days they will be placed on the Community House lot and then work will start.

The cabin will be placed somewhere near the center of the lot and will be large enough for the boys to have their meetings in and play games.

Such a cabin as this has been the dream of the Scouts for many years, but not until recently did the council consider it wise to start this move.

Mr. J. A. Timberlake will supervise the construction. That means that the Scouts will have a cabin that they can be proud of.

HENRY GATES WINNER

Henry Gates, local Ford salesman, won \$50 this week. The Charlotte branch of the Ford Motor Co. conducts a drawing each day and the lucky man gets \$50. Every time a salesman sells a used car his name is put in a box, the more cars you sell the more times your name will be in the box. Henry must have had his name in there a number of times. He is now waiting for his check to arrive.

NOTICE

I have undertaken the management of Mr. Clyde R. Hoey's campaign for Governor in Person County. Reasons for this undertaking are in an interview elsewhere in this paper. I should be glad to hear from or be called on by supporters of Mr. Hoey and I ask every Person County citizen to give thoughtful consideration to his candidacy.

Respectfully,
ROBERT P. BURNS.
