## DANVILLE'S ASST. FIRE CHIEF PRAISES POW-O-LIN

Says POW-O-LIN Gave Him Quick and Lasting Relief From INDIGESTION, DIZZINESS, HEADACHES, CONSTIPATION and RELATED AILMENTS THAT HAD CAUSED HIM MUCH DISTRESS. POW-O-LIN is Now the Family Medicine.

J. R. SCARCE

One must admit that when a medicine proves to be beneficial and entirely satisfactory to an entire family, regardless of age, it is indeed a wonderful preparation. POW-O-LIN, THE NEW MODERN MEDICINE, is a wonderful medicine and that is the reason why Mr. J. R. Scarce, for years a member of the Danville fire department, now holding the position of assistant fire chief, is so high in his praise.

"Try as I did, I found no medicine that gave me satisfactory and lasting relief from INDIGESTION, DIZZINESS, HEADACHES, CHRONIC CONSTIPATION and related ailments that had caused me much distress for months until I started taking POW-O-LIN," said Mr. Scarce in a recent conversation with the POW-O-LIN representative. "For quite a time, both my wife and myself had been bothered with stomach and bowel disorders due to faulty elimination and at times it was quite an effort for me to perform my duties with the department

as they have to be done. A few weeks ago I learned about POW-O-LIN and started taking it; and much to my surprise, in a short time it gave me permanent relief.

"POW-O-LIN not only gave me welcomed relief, but has been a blessing to my entire family. My wife and her mother use POW-O-LIN and they too praise it highly because of its effectiveness. It is so pleasant tasting we have no trouble getting the children to take it and it now has a regular space in our medicine chest."

POW-O-LIN is recommended by THOMAS & OAKLEY, Roxboro, and Thomas & Bowles, Ca-Vel, N. C.

# IMPORTANT NOTICE

Important issues arise in the House of Representatives that can be properly negotiated by men who have had experience as a farmer and, in addition, who have been able to see the business side of farm problems. Our candidate has been a farmer, and has long since realized that farmers deserve more consideration than they have gotten heretofore. As you have observed, the farm is getting more consideration from Washington than ever before, but we need even more.

## Vote On July 4th

for a man who has been able to establish himself with the FARMER, the MERCHANT, the MILL WORKER, the TEACHER, the CAPITALIST, and with men and women in all other walks of life. If he has done that in Person County, could he not also be as influential in bringing things to pass in influencing other representatives to cast their ballots as he casts his?

Men and women, look the situation in the face and use your influence in electing a man who knows not how to release himself until victory is won.

Mr. Knight was reared on the farm. Almost all of his people are farmers; he lived on the farm at Mr. J. E. Daniels' about four years; he married a Person County girl, the daughter of Mr. Daniel, one of the best farmers in this county. The farmers are his friends; his people, and he is their friend.

Let us make as even distribution as possible in placing men in the responsible positions in our county offices.

Our candidate carried one of the main voting precincts in Roxboro by a vote of 225 to 170. His opponent gained a few more votes in the rest of Roxboro township because of the mill vote in these, and one candidate worked in a mill. The other opponent had a campaign worker in the mill.

Farmers, friends, voters, and all,

## Vote For B. B. KNIGHT

the MAN OF THE HOUR — and then make your wants known to him, and we are sure that he will do his best to help you.

This appeal comes to you from your farmer friends as well as from those of all other walks of life.
