MISS VICTORIA GARRETT
Social EditorSalem Young People
Enjoy Meeting

Miss Frances Hester was hostess to the Young People's Division of Salem Methodist church on Tuesday night at her home at Bushy Fork. A profusion of various summer flowers decorated the home for the occasion.

Miss Mildred Hester, as president of the Division, opened and presided at the meeting. Devotional was conducted by Miss Mary Hester. Following a short business session the program of the meeting was rendered. "What A Real Citizen Is And What He Can Do To Help Situations In His Community," was the theme which was very interestingly discussed by several members. During the social hour which followed the program the young people enjoyed singing several songs.

The hostess, assisted by her sister, Miss Huldah Hester, served her guests delicious ice cream and cake.

Thursday Bridge
Club Meets

At her home in Ca-Vel Circle on last Thursday evening Mrs. M. J. Cunningham entertained the members of the Thursday bridge club and several invited guests at three tables of bridge.

A pretty array of summer flowers was used in the living room where the game was enjoyed for several hours. Upon addition of scores Mrs. Chris Waggoner was given a pretty gift for club high score, while Mrs. Stuart Ford was awarded consolation prize for the

club. Mrs. Elizabeth Cheek was awarded a prize for visitor's high score.

Mrs. Cunningham, assisted by her daughter, Mrs. Thomas Dixon, served a delicious iced course to the following: Mesdames B. B. Mangum, George Currier, Stuart Ford, William Warren, Chris Waggoner, Howard Strang, Gus Deering, Glen Brandon, E. E. Thomas, Elizabeth Cheek, B. B. Strum, and Wallace Harris.

Mt. Zion Ladies Aid
Society Meets

The Mt. Zion Ladies Aid Society held its monthly meeting June 27, at the home of Mrs. Roy Rogers. The meeting opened by singing

"Blessed Assurance," followed by the scripture lesson and prayer. Several poems read by Mrs. A. F. Nichols were enjoyed by all. Roll was called with nineteen members present. The social hour was conducted by Mrs. Rogers, with Mrs. A. F. Nichols and Mrs. Paul Cobb winning the prizes.

The hostess, assisted by Misses Bannie Rogers and Della Cates, served a delicious salad course followed by a sweet course.

The next meeting will be held at the home of Mrs. Paul Cobb on July 25 at 3 o'clock.

Y. W. A. Has
Meeting

The Y. W. A. held its regular meeting at the home of Misses Helen and Ora Latta on Monday night of this week.

The meeting was opened with devotional. The program followed with Mrs. Studenbrog giving a very interesting talk on "Signs of Kingdom Progress." A business session was held after the program was rendered. The hostesses served delicious refreshments to about ten guests.

GOOD PASTURES ARE
NEEDED BY CATTLE

Number of Good Pasture Hints Given by Agronomist at State College.

Cattle get plenty of exercise but produce little meat and milk from worn out pastures, according to James M. Parks, agronomist of the Soil Conservation Service in North Carolina.

Properly managed pastures control erosion on sloping fields and produce the cheapest of all livestock feeds. Overgrazed pastures are soon

reduced to a play ground for hungry cows and mules, says Parks.

Good permanent pastures prevent losses of topsoil and the formation of gullies. Together with trees they represent the only natural and income-producing means for protecting slopes too steep for the production of clean-cultivated crops.

If you want to keep your pasture from becoming a livestock gymnasium and protect the soil from washing away, Parks suggests the application of these timely pasture hints:

1. Do not graze heavily in dry seasons.
2. Mow the weeds and shrubs that rob moisture.
3. Let new seedlings make a good top growth before grazing.
4. Plant temporary pastures of Sudan grass, soybeans, cowpeas, etc., to tide the livestock over the entire season.

Why Gulf is the Gas
for the Fourth

GROWN-UPS SHOULD CELEBRATE the Fourth too! Drive somewhere. Do things. But to get maximum mileage use a gasoline that's made specially for July weather conditions in this district. If you don't, part of your fuel will blow out the exhaust unburned, wasted. That Good Gulf Gas is "Kept in Step with the Calendar"—its chemical formula is suited to the season. That's why all of it goes to work, none of it goes to waste. Try a tankful!
