QUESTIONS AND ANSWERS

Ques.—Does a high school student have to get a social security account number if he gets a job during the summer vacation?

Ans.—He does, unless he engages in one of the few employments specifically exempted by the Social Security Act itself.

Ques.—Does a woman lose her old-age benefits rights if she gets married and gives up her job?

Ans.—She does not. The wages she earned while employed are recorded in her individual ledger account by the Social Security Board. This wage record determines the amount of benefits she will receive when she becomes eligible. Wages earned in future employments before she will reach 65, will be added to her wage record from time to time as such wages are earned.

Ques.—I am a school teacher and I am about to take a position as counsellor in a privately operated summer camp. Do I come under the Social Security Act?

Ans.—You do. You must get a Social Security Account Number. Applications should be made in Form SS-5. This can be got at any post office or at your nearest Social Security Board office. Keep your account card but give your number to your employer. He will need the number to make required reports to the Treasury Department, which is charged with collecting the taxes levied upon the Social Security Act. Do not lose your card. Memorize your number and you will not need to carry your card with you.

Ques.—I run a saw mill and employ two men. I understand the Social Security Act applied only to those who had eight or more employees?

Ans.—You are an employer covered by the Act and you should have an employer's identification number. Application Form SS-5—and you should see that each of your employees has a Social Security Account Number (Application Form SS-5). Under Title VIII of the Act, you are required to deduct one percent of the wages paid each employee, and to pay that, plus one percent you must pay as an employer, to the collector of Internal Revenue each month. The Treasury has prepared a special monthly tax return, Form SS-1, which should be used. Get this form from your Collector of Internal Revenue. If you will call at the Social Security Board office at 116 S. Salisbury Street in Raleigh, we will help you with your problems connected with the law.

PUBLIC DEBT SOARS TO 36 BILLION MARK

New Borrowing, Bond Issue Lifts Sum Another Billion And Quarter

Washington, June 17.—The public debt climbed above the \$36,000,000,000 mark today to a new high. The treasury reported that \$852,000,000 of borrowing plus issuance of \$500,000,000 in bonds to the government life insurance fund, lifted the debt about \$1,352,000,000 to \$36,633,907,802, as of June 15.

The bonds were issued under the bonus act to compensate the insurance for loans made to veterans on adjusted compensation certificates prior to the bonus payment.

The June 15 debt was \$2,302,551,936 over the debt on June 15, 1936, and topped the 1919 war-time high by \$10,037,206,154.

President Roosevelt said recently he expected the seven-year climb would halt after outstanding obligations crossed the \$36,000,000,000 mark.

A total of \$300,000,000 will be whittled from the debt when the treasury retires that amount of maturing bills in the next few days.

The June borrowing increased the treasury's working cash above the billion-dollar level for the first time since January. On June 15, the working balance stood at \$1,241,793,664, of \$892,348,906 above the previous day.

Cash now is flowing in to the working balance from second-quarter income tax collections. Preliminary reports have indicated collections this month will push aggregate income tax revenue for the fiscal year ending June 30 over President Roosevelt's revised budget estimate of \$2,105,000,000.

WORLD WAR VETS TO GATHER JULY

Annual Convention Of North Carolina American Legion To Meet In Durham

OVER 5,000 EXPECTED

Durham—When the army of World War veterans from every section of North Carolina arrives here for the annual convention of the state department of American Legion the latter part of next month they will find much entertainment arranged for their enjoyment. For many weeks members of the Durham Post, under the direction of Dr. D. R. Perry, state department vice-commander and general convention chairman, has been working out plans for the convention and no pains have been spared in the effort to make the program one that will set a new high standard for the state.

The Duke University football stadium has been secured for the drum and bugle corps drills and for other competitive events and arrangements are being completed for the electrical illumination of the vast field.

Dances with a well known orchestra providing the rhythm for dancing feet will be given in compliment to the visiting Legionnaires and members of the Legion Auxiliary. The Salvation Army, long remembered as friends of the soldiers overseas during the World War, will establish one or more dugouts from which point doughnuts and coffee will be distributed without charge to the veterans. Shows and other forms of entertainment are also being arranged for.

Under the plan announced by Dr. Perry, only veterans registering at one of the several booths to be operated for their convenience will be permitted to share in the festivities being arranged. But gifts and favors, equaling the cost of the registration, will be given to all those registering, thereby assuring them of their full money's worth.

With an attendance of fully 5,000 men and women predicted by the state department officials, the housing committee is working at the task of assuring every visitor of a place to stay during his sojourn here. While all hotel rooms have been reserved, many homes are being offered by interested citizens in taking care of those who will be unable to find accommodations in the hotels. According to Dr. Perry, no veteran or member of the Auxiliary should stay away from the convention because of the fear that they might be unable to be properly housed. The housing committee is headed by Frank Pierson, secretary of the Durham Chamber of Commerce, through whom requests for reservations are being handled.

The business session for the Legion will be held in the new armory-auditorium and one of the dances will be held there. The women will hold their sessions in the First Baptist Church.

Prof. H. E. Spence, an outstanding member of Duke University School of Religion, has been secured as the speaker for the annual memorial service which will be held as the opening feature of the convention.

Convention headquarters for the white Legionnaires and the Auxiliary will be located in the Washington Duke Hotel. The convention headquarters for the negro veterans will be in the Biltmore Hotel and the business sessions will be held in the Negro Schools in Hayti, one of the negro sections of the city.

The Negro veterans will join with the white Legionnaires in the memorial service and music for the occasion will be furnished by some of the outstanding negro singers of Durham.
