**NEWS of the WEEK**  
by FOSTER GILROY

**THE WEEK IN BUSINESS**  
Last week's automobiles output for the U. S. and Canada reached a total of 91,905 units, as against \$4,310 a year ago. In the year ending June 30th, 2,823,000 school children in the country deposited \$14,258,790 in school savings banks, an increase of 9 per cent over last year. Surprise was felt throughout the steel industry at the drop in ingot production to 56 per cent of capacity, a fall of 7 points in a week and 28 points under the August average. Steel officials believe the recession is temporary. Average weekly pay of employees in 48 Detroit automotive equipment plants was \$30.09, as compared with \$24.66 a year ago.

**Hoover Counsels "Salesman"**  
Greenwich, Conn.—At a private home gathering of Republican leaders, Ex-President Hoover urged the younger recruits of the party to become "salesmen" of its achievements as a nation-builder. He said that the party's record had not been "sold" to the public; had not even been mentioned by Governor Landon, Republican presidential candidate in the last national election.

**WORK FOR MEN OF 40**  
Washington, D. C.—The problem of finding employment for men over 40 is one of the questions scheduled for discussion at a three-day conference on State labor legislation now in session under the auspices of the Department of Labor. Representatives of 45 states are present, only Montana, Oregon and New Mexico being unrepresented.

**STILL HUNTING LOST FLYERS**  
Winnipeg, Canada.—Sir Hubert Wilkins arrived in a huge Soviet-owned plane to have skis fitted before plunging into Arctic waste to resume search for the six Russian airmen who disappeared on an "Over the Pole" flight on August 13th. Polar authorities differ as to whether there is any chance or not of their remaining alive.

**WINDSORS PLAN U. S. TRIP**  
Paris, France.—Returning from a tour of German industrial centers, during which they received a cool reception from Chancellor Hitler, the Duke and Duchess of Windsor are planning their trip to America next month. An open letter addressed to the Duchess in a New York newspaper begs her to change the style of wearing her hair. "Thousands of American women will ape your plain coiffure," states, "to the ruin of the hairdressing business."

**BIG YEAR FOR TOYS**  
New York City — Toy manufacturers of the U. S. announced that their product this year would reach a sever peak, with a value of \$320,000,000. A preview of the new Christmas toys for boys shows a marked trend toward the scientific marked trend toward the scientific, with radio, engineering and electro-chemistry playing important parts. For the girls, dolls that drink their milk and speak with almost human voice are among the novelties.

Three fine mules died of lock-jaw in Pamlico County in recent months, reports County Agent A. T. Jackson.

**"HANCOCK HAS GOOD CHANCE" SAYS C. T. HALL**

**Prominent Farmer Leader Believes That Oxford Man Will Carry Vote**  
Claude Hall, prominent Person County farmer and farm leader, believes that Frank Hancock of Oxford, has an excellent chance to win the Democratic nomination for senate. In a statement made to the writer of this article last week Mr. Hall said that he believed Hancock would win. He did not think that Governor Hoey would run. Many people have thought that Mr. Hall might make an attempt to secure this nomination, but so far he has made no announcement in this connection. Frank Hancock, in Winston-Salem last week, made the statement that he was receiving much encouragement and that his chances looked splendid. He is expecting a battle royal and is prepared to wage a hard campaign against Sen. Reynolds. Many Person County friends of the Congressman expect him to pay a visit to this county at an early date.

**SPOOKS & GOBLINS WALKED LIKE MEN**

**Hundreds Of Men, Women and Children Took Part In Halloween Celebrations**  
The spooks and goblins were present in this city last night. Many paraded on Main St. and many more found their way to the high school where they found much in the way of entertainment. The Winstead Warehouse was also the scene of a large amount of fun and entertainment as the Eastern Star sponsored a big Halloween party for all who desired to attend. Halloween night is always a big occasion in Roxboro and usually the city has a program of some kind. Saturday night was observed this year as Halloween comes on Sunday and this made it hard for the city to plan any special program. There is too much trading in all the stores for business to be interrupted to any great extent. Although Halloween is usually celebrated by children, many grown-ups took part last night and all seemed to enjoy the occasion in every way.

**Football Team To Be Entertained**

**Rotarians Will Entertain About Twenty Players And Coach**  
The Roxboro High School football team will be entertained Thursday night by the Rotary Club in their regular weekly meeting. Coach Dunlop is also expected to be present at this meeting. The program for Thursday will be in charge of the coach and his players. There has been no announcement as to what the program will consist of. Roxboro high has a good team this year and even tho they have met with a few reverses local fans have good reasons to believe that they have not hit their stride.

**BIRTH ANNOUNCEMENT**

Mr. and Mrs. A. Fallon Hill are receiving congratulations on an eight and one-half pound baby boy, Almus Fallon, Jr. Mother and baby are improving nicely.

**VETERAN SCOUTER HAS RESIGNED**

**Clyde Swartz Decides To Turn His Troop Over To Earl Bradsher**  
Clyde Swartz, veteran scoutmaster, according to A. P. Patterson council executive, has asked the Person County council to accept his resignation. Mr. Swartz gave as his reason lack of time. For about seven years Mr. Swartz has been active in Scout work. He has trained hundreds of boys and has been a most valuable scoutmaster. In resigning Mr. Swartz stated that he did not intend to quit scout work, but that he would not be able to serve as scoutmaster. Earl Bradsher, his assistant, will probably take his place. Mr. Swartz was one time winner of the Silver Beaver. This award is the highest honor that can be given for scout work. He received many other honors during the time he served as scoutmaster. Although Cherokee Council will miss his services as scoutmaster he is not lost to the Council. He will continue to serve, but in another way.

**ALONG THE WAY — ALL APPEARS TO BE QUIET — NO NEWS**

Once again as this article is written the boys, girls, men and women are away for the purpose of seeing another football game. The Roxboro fans did not bet much money on Carolina because they were not very sure just how the game would turn out. They expect to bet their last cent one way or the other on the Duke - Carolina game. You see their last cent will not be over 50 cents. C. B. Woods did not accept the nomination to write this column. He is a "fair writer" has written a little during the forty years that he has lived. Perhaps he is too bashful. Tom Johnson, editor of the Oxford Ledger, is a busy man these

**BUSHY FORK SCHOOL WILL HAVE CLEAN-UP DAY**

On next Wednesday, Nov. 3rd., as many parents as can come are asked to meet at the Bushy Fork School with tools for clearing off more playground space.

**Kiwanis & Rotary Clubs To Hold Joint Meeting On Nov. 11**

**ROXBORO SCORES 25 TO 0 VICTORY**  
Outplaying their opponents in every department of the game, the Roxboro high school eleven scored an easy 25 to 0 victory over the Schoolfield aggregation Friday afternoon on the local field. A large number of fans watched the local boys push over four touchdowns and chalk up an extra point to hang up their first win of the season. Donald Bradsher and Earl Stewart were the outstanding players for the Roxboro team. The passing of Bradsher and the receiving of Stewart clicked on every try and put the ball in scoring position to count for three of the four touchdowns. Roxboro tried only four passes and completed all of them for a gain of 94 yards. This program is intended to give the business men of Roxboro a better insight into what scout work really means and what scouting stands for. Mr. Patterson will make a short speech and some of the scouts will probably have something to say. Leaders of both the Rotary and Kiwanis Clubs are very anxious that all members be present for this meeting. The program will be interesting and should be helpful to all. At this season of the year scouting gets into full swing. All troops are busy and memberships jump to a new high mark for the year. Mr. Patterson was in Roxboro last Friday making plans for this meeting and attending to a few details concerning scout work in this county.

**ROXBORO MARKET AVERAGES \$26.10**

**Has Sold 857,118 More Pounds This Year Than Same Date Last Year**  
Roxboro Tobacco Market is steadily going ahead of last year's record. Ending Friday, Oct. 29th., the market had sold 2,265,754 lbs. of tobacco for an official season's average of \$26.10. On the same date last year the market had sold 1,408,636 pounds for an average of \$24.15. These figures prove that Roxboro market has sold 857,118 lbs. more this year than it had sold at the same time last year and the average is much higher. Roxboro averaged \$27.70 for last week's sales and sold about one half million pounds. Heavy sales are expected this week and by Friday night the market will probably reach the third million. So far this season there have been no blocked sales in Roxboro. Sales have been much faster than last year and the price has been much better. By Thanksgiving the market should reach last year's total. Many now expect Roxboro to sell seven million pounds this year. The goal was first set at six million. Now this goal has been raised and should be reached.

**TAX LIST TO BE PUBLISHED NOV.**

**List Is Not Expected To Be Very Large As Many Have Paid**  
On or about the first of November the city of Roxboro will advertise the unpaid taxes upon property in Roxboro. In plain words the delinquent tax list will be published. City Manager Harris does not believe that this list will be very large as the high price of tobacco has been reflected on the city tax books and a majority of property owners have paid their taxes for the year 1936. Since it was announced, about four weeks ago, that this list would be published around November 1st., many who had not paid have been into the city office and cleared their property. In a very short time the county will be forced to publish its list of unpaid taxes. So far there has been no definite announcement as to date. Sheriff Clayton is urging all to pay as they sell their tobacco rather than to wait until the crop is sold.

**PLAY TO BE GIVEN AT ALLENSVILLE**

**"Strike Three, You're Out," To Be given By Allensville Seniors Nov. 12th.**  
"Strike Three, You're Out!" What a familiar expression, that is, to the lovers of our nation. But in this instance "Strike Three" is the title of the play that has been selected by the Senior Class of Allensville High School for their annual performance. It will be presented in the Allensville High School Auditorium on Friday morning, November 12, 1937. Many plays were read and discarded in favor of "Strike Three" which is supposed to be one of the funniest comedies ever written by the playwright, Robert Ray, who has a reputation for clever plays. When a cast of young players, continue to laugh at the humorous situations in a play after rehearsing it for a number of weeks it must be funny and that is just what is happening with the local group. The director, Mr. S. B. Satterwhite has expressed himself as being delighted with the spontaneous manner in which the cast have entered into their parts, and confidently predicts that "Strike Three" will be hailed by local theatre goers as the most outstanding performance seen locally in years.

A play, "Two Little Hitch Hikers," will be given by the following cast, Raymond Lowery, Elsie Whitfield, Winigate Rogers, Jr., Hattie Woody and Clyde Sullivan. A contest is being staged among the different classes to see which class can get the greatest number of parents to join the association. It is believed that the parents will cooperate with the school as they have always done and attend this meeting Monday.
