The unit has been organized since Jan. 1st and it is evident that the scouts are making excellent progress.

Earl Moore, former sergeant in the U. S. Army, has charge of the marching and the musicians are rapidly getting in shape to show the public a few fancy steps.

Joe Guffey and Frank Williams have charge of the scouts in Ca-Vel and this troop is now ranked as one of the best in the county.

At a meeting of the Person County scout leaders Tuesday night various reports were made by scoutmasters and others showing that scouting in Person County is now in a healthy condition. Troops are very active in Roxboro, Bushy Fork, and Ca-Vel. Troops are now being started in East Roxboro, Longhurst and Timberlake. Clayton Owen will act as scoutmaster of the troop that is now being organized in East Roxboro and the people in this locality are lending their active support. HUNTING SEASON ENDED TUESDAY

Birds Will Be Safe For Several Months And Dogs Will Rest In Pens

The hunting season has ended in Person County and hunters have put away their hunting clothes and their guns until the season rolls around once more. The bird dogs have been put in pens and they are probably expecting to go out again this week-end. Dogs just don't seem to care about the law.

The season is also closed on rabbits and other wild game that abounds in this county. Only skeet shooting is allowed and that hasn't started up.

Hunters report that this county offered fairly good hunting this year. Birds were not so hard to kill and there were plenty of rabbits. A few deer were killed in the county.

Reports from the state as a whole were different. There was a definite scarcity of birds and the department of conservation is now looking into the matter.

SCHOOLS TO CLOSE DURING THE WEEK OF MAY NINTH

Exact Day May Vary In Different Schools In County Or Bad Weather May Delay Date In Certain Communities

Schools Have Had Good Year

All of the schools of Person County will close during the week of May 9th, stated R. B. Griffin, County superintendent of education, in an interview Wednesday. Mr. Griffin added that some schools would close earlier than others in that week because certain holidays had been, or would be, taken by certain schools while others would not take the holidays.

If bad weather happens to make the roads impassable this date will be moved up and the schools will have to delay their closing dates. Snow or rain can do much to county roads in a few days and there have been instances where schools had to remain closed for a week or more. So far no schools have closed on account of bad roads.

The city and county schools have all had successful school years during the year that is now being brought to a close. School officials believe that a majority of the teachers will come back next year and they hope that all principals will be favorable to re-election.

Election of teachers and principals will probably take place just before the closing dates of the schools.

BUSINESS RUSHING AT CITY OFFICE

Telephone Calls Warned People That Their Water Was About To Be Cut Off

It happened on Tuesday morning, bright and clear.

February 15th was the last day for paying water rent for the last quarter. Many of Roxboro's best citizens had overlooked this little matter and city manager, Jim Harris, suddenly became very busy calling these people over the telephone to warn them that their water would be cut off that day unless they paid the bill at once. About forty people had failed to pay and these suddenly began rushing in. By mid-afternoon the list was practically clear and the city of Roxboro had collected a neat sum of money.

Monday was also a good day in the city manager's office. Several hundred dollars, over two thousand, were collected. This money was for taxes, water and other items that people owed.

As far as could be learned no one got mad when the manager of Roxboro stated that their water was about to be cut off. They smiled and paid.

ROXBORO - BETHEL DIVIDE HONORS

Roxboro Boys Won By Score Of 20-13; Bethel Girls Continue To Win By Score Of 38 - 10

One of the largest crowds of the season saw Roxboro and Bethel Hill divide basketball honors Tuesday night as the four teams met on the Roxboro court. The Roxboro boys won by a score of 20-13 while the Bethel girls walked off with a 38-10 victory.

The boys' game proved to be rather exciting as Bradsher of Roxboro, sank a double counter at the start of the game followed by a basket from Roxboro's midget, Barden Winstead. Bethel paid strict attention to Earl Stewart, Roxboro's star forward and as a result Stewart came out with only five points. Roxboro managed to get a lead and cling to it throughout the game.

Even though Roxboro captured the game it was one of the hardest fought on this court this year. Bethel was strong on defense and held the Ramblers to nine field goals. Bethel hit the basket for four field goals.

Both teams played excellent ball and basketball honors for the year now stand at one-all between these two teams. Bethel Hill won the first game.

For Bethel honors were as follows:

Shotwell, 5; Merritt, 1; Tingen, 1; Pixley, 5; Young, 1. Roxboro honors were: Stewart, 5; Winstead, 4; Bradsher, 6; Whitten, 5.

De Frank (Penn.) called the game.
