PERSON FAIR PLANS PROCEED RAPIDLY -- PERKINS

President Promises Bigger And Better County Fair Than Ever Before.

R. L. "Bob" Perkins, president of the Person County Fair, stated yesterday that everything was rapidly getting in shape for the big fair that is to start on October 24 and continue through October 29.

Mr. Perkins is strong in his belief that this year's fair will be the largest and best that has been held here in many years.

The Art Lewis' Shows have been engaged for the midway and this company has a reputation for giving its patrons plenty of amusement and good clean fun. Numerous riding devices will be packed into the fair ground and there will be rides for young and old.

White Children's Day will be observed on Tuesday, Oct. 25, Colored Children's Day will follow on Oct. 26. On these two days children twelve years of age and under will be admitted free between the hours of twelve o'clock noon and six p. m.

Mr. Perkins is confident that there will be more exhibits at the fair in 1938 than have been here since the new fair program was started several years ago. He is being assisted in his farm exhibit work by H. K. Sanders, county agent.

The location will be the same as last year -- across from the prison camp in west Roxboro.

"Everything," says Bob, "points to a big fair" and he promises that the fair will continue to grow from year to year.
