lops off \$150,000,000 from President Roosevelt's demand for an \$870,000,000 deficiency appropriation to continue WPA activities until the end of the fiscal year. As it now stands, the appropriation is for \$725,000,000, aliens are barred from receiving relief funds and other administrative reforms are provided for. A sweeping reorganization of the WPA along non-political lines is a practical certainty.

Clary - Weathers Marriage Solemnized In Simple Ceremony Here Yesterday

In a private wedding ceremony of dignity and simplicity, Mrs. Breta Noell Clary, daughter of Mr. and Mrs. J. W. Noell, was married to Lee B. Weathers of Shelby Saturday at high noon at the home of the bride's parents. Rev. W. F. West performed the ceremony, using the ring service of the Baptist church.

The vows were spoken in the music room, before an improvised altar of ferns with tall baskets of white Calla lilies, and seven-branched candelabra holding burning tapers.

A program of nuptial music was rendered by Mrs. Curtis Oakley at the piano and included "Liebestraum" by Liszt, "An Old Trysting Place" and "To A Water Lilly" by McDowell. Mr. Jake Taylor sang "I Love You Truly" and "The Sweetest Story Ever Told." Lohengrin's "Wedding March" was used as the processional, and during the ceremony "Salut D'Amour" was rendered.

The bride was attired in an afternoon gown of morning glory blue, with a small black hat, and carrying a small arm bouquet of pink orchids and valley lilies, entered on the arm of her father, by whom she was given in marriage.

Her only attendant was her sister, Mrs. W. E. Bowles, as matron of honor, who wore dusty pink with brown accessories. She carried an arm bouquet of talisman roses.

The groom was attended by his best man, Henry Lee Weathers of Shelby.

Immediately after the ceremony, Mr. and Mrs. Noell entertained the guests at a buffet luncheon. The dining room was attractively decorated in a color scheme of green and white, and decorations throughout the home further emphasized the bridal colors.

The bride is the elder daughter of Former Senator and Mrs. J. W. Noell, and the widow of W. S. Clary, Jr., who for a number of years was buyer for Export Tobacco Co.

The groom is a native of Shelby and is the son of Mrs. A. P. Weathers. He is editor and publisher of the Shelby Daily Star.

Mr. and Mrs. Weathers left for Florida and Cuba immediately after the ceremony. For traveling, the bride wore a tailored model of black and rose wool crepe, with a small black felt hat to match. She wore a shoulder corsage of orchids.

After the seventh of February, Mr. and Mrs. Weathers will be at home in Shelby.

Out of town guests were Mrs. A. P. Weathers, H. L. Weathers and Miss Pearl Weathers, Miss Lilly Taylor, Mr. and Mrs. J. P. Smith and Mr. H. L. Kendall of Shelby; Governor and Mrs. Clyde R. Hoey, Dr. and Mrs. B. J. Lawrence, Mr. and Mrs. Henry Kendall of Raleigh; Dr. and Mrs. B. R. Long, Mr. and Mrs. Wiseman Kendall, Mr. W. S. Clary, Dr. and

Mrs. W. T. Clary and Mr. and Mrs. H. E. Clary of Greensboro; Mr. and Mrs. Plumer Wiseman, Dr. and Mrs. H. L. Wiseman of Danville, Va., Mr. and Mrs. T. C. Markham of Durham, Miss Lucille Pass of Asheville and Dr. R. H. Noell of Rocky Mount, N. C.

The following announcements have been issued:

Club Meeting At Olive Hill

The Olive Hill Home Demonstration Club met in the Club Room of the Community House yesterday afternoon at two o'clock with Mrs. C. E. Brooks, president, in the chair.

A great deal of business was transacted at this meeting including the appointment of all project leaders and the various club committees.

Mrs. John Winstead, Sr., Home management leader, will present as the minor project study at the February meeting "Home Man-

agement." This alone will be well worth the time and effort it takes to attend the meeting, but she will have also some lovely quilt patterns to distribute which will be popular in every home makers circle, so be present at the February meeting which will be held at the Community House Wednesday, February at 2:00 p. m.

The major project study will be on "Home-Built Kitchen Equipment" and some unique ideas will be presented which even an amateur carpenter can use. It may be just what you have been looking for to make your kitchen perfect!

When better automobiles are built Buick will build them.

to keep an old car running.

You'll start when you want to start, stop when you want to stop. You'll have a car that's new, and fit, and sound; batteries, brakes, engine, tires—they'll all be at their best at the time you need them most!

Why not enjoy this winter for a change? This Buick, you know, is easy to buy—costs less than a year ago, less than you'd expect, less even than some sixes.

And, we might add, it's easier to get deliveries now than it will be later when the rush is on. We hope we'll be seeing you—very, very soon!

TAKE it out on a clear, crisp day when the frost nips through the sunshine and there's tingle in the air!

Put it up against a long pull—a brief, brisk dash—a twisting, winding trail!

We want to show you, mister, how much fun winter could be—if only you had a Buick to make your going sure and carefree!

You'll press on the treadle—and find the thrill of the ski-run in the burst of ready power from the barely whispering, great eight engine.

You'll swing around a curve—and find the poised sureness of the figure-skater in the way this Buick answers,

even on winter's slippery roads.

You'll brace yourself for a rut or bump—only to discover that BuicCoil springing has already ironed it out. You'll look out over the wide horizon—and know winter's beauties better through windows that let you see!

In short, you'll have fun! All-winter fun! Fun unspoiled by the fussing and fretting it takes

ABLEST OF THE EIGHTS is this mighty Buick Dynaflex Valve-in-Head Straight-Eight, with a cyclone in each cylinder to squeeze full power from every drop of fuel.
