Mrs. Wheeler Newell Is Hostess To Thursday Literary Club This Week

Mrs. H. W. Newell was hostess to members of the Thursday Literary club at her home on South Main street.

The guests were met at the door by Mrs. Lillian Foreman and directed to the living room. In the dining room, where the guests were next invited, the Valentine motif was in evidence in all decorations. A beautifully appointed table was covered by a lace spread and place cards were heart shaped valentines. Heart shaped lollipops and valentines

were arranged for a center piece also. A delicious four course dinner was served.

Two papers by Mrs. Flint Nichols and Mrs. W. E. Malone were features of the club program after dinner. The subject for the meeting was "The Old Dominion", and both papers dealt with this subject in a most interesting and entertaining manner.

A musical interlude between papers was given by Mrs. Newell, the hostess, to an accompaniment of Mrs. K. L. Street.

"Algiers" Cast Came From Four Corners of Earth

The four corners of the earth contributed to the filming of "Algiers," the Walter Wagner picture currently showing at the Dolly Madison theatre.

Charles Boyer, the star, is a native of France, and Hedy Lamarr, in one of the leading feminine roles, comes from Vienna. Joseph Calleia was born on the island of Malta, in the Mediterranean, while Mme. Nina Koshetz and Leonid Kinsky, also members of the cast, are natives of Russia. Here, too, was born Alexander Toluboff, art director; and Jamiel Hassen, technical director, comes from Arabia. James Wong Howe, cameraman, is Chinese. Preserving the American balance of the company, Director John Cromwell, Alan Hale, Gene Lockhart, Stanley Fields, Johnny Davis, Joan Woodbury and Bert Roach were all born in the United States.

The other principal feminine role in the film, that of a native girl, is played by Sigrid Gurie, who fits neatly into both categories. For, although she was born in America, she was taken to her parents' native Norway and remained in Europe until she came to Hollywood to begin her triumphant film career in "The Adventures of Marco Polo." "Algiers" is released through United Artists.

Boys Hi-Y Club Meets Monday

The Hi-Y club met and held its regular meeting in the library of Roxboro High school Monday evening at 7:30.

President Barden Winstead opened the meeting with the usual formal procedure. A brief business session was held, and Secretary Bob Whitten was appointed to get the National Hi-Y charter framed, which is to be placed in the school library where the club meets.

The president read an interesting poem on "Character." After the poem the scripture was read and Mr. Lanning, our Methodist preacher, talked to the boys on, "A Central Care to Build Your Life Around."

This was a most inspiring and instructive talk. The club was indebted to Mr. Lanning and Barden Winstead for the interesting program.

FIRST BAPTIST CHURCH

Dr. Howard A. Kelly, the noted scientist and brilliant surgeon, has said: "A definite Christian faith is the one really important thing in life. I mean that literally. It is vastly more important than my profession, than any scientific research, or than any other or all the activities of a man's life, and that from a strictly practical, common-sense point of view. The intimate experiences of life have shown me that the Bible is a living word, just as definitely God's word to me, personally. As such, the Bible is its own defense."

9:45 a. m. - Bible School. 11:00 a. m. - Preaching - "This Do In Remembrance of Me." 6:30 p. m. - Baptist Training Union.
