

Big 300,000 Extra Vote Offer Ends Saturday February 11th.

LOCAL UNITS GET LARGER SHARE OF INTANGIBLE TAXES

Finance Committee Adopts Compromise Reducing State's Share To 25 Percent.

Moving into the last stretch in the final shaping up of the 1939 revenue bill, which will be the State's first permanent revenue law, the joint finance committee yesterday adopted the much discussed provision providing for the so-called diversion of highway funds without a word of debate and voted to give the counties and cities 75 percent of the proceeds of the intangible tax instead of the 50 percent which they received last year. Action on the highway fund included retention of present exemptions to the sales tax, with ice and medicine added to essential foods and some building materials.

As the bill now stands it will yield about \$450,000 a year or \$900,000 in the biennium less than when it came from the Budget Bureau.

This estimate takes the most optimistic view of the collections from the intangible tax. This tax was levied for the first time in 1937 following the adoption of an amendment to the Constitution under which it was widely predicted that revenue for the State would run into millions of dollars. Rates were fixed at a low point in order to bring out of hiding intangible property which has never been listed under the high rates charged by counties and cities.

Results Disappointing So far results have been disappointing. The tax was estimated to yield \$2,000,000 during each year of the present biennium but instead of receiving \$1,000,000 each last year, the State only got \$470,000 and local units the same

'37 Taxes To Be Advertised First Week In March

Delinquent Person County taxes for the year 1937 will be advertised the first week in March, Sheriff M. T. Clayton said yesterday.

The sheriff, who is also collector of county taxes, urged all who have not paid their 1937 dues to do so at once in order to prevent the advertising.

"This date is absolute," he said, "and we do not expect it to be postponed."

New Workers In Campaign

Mrs. Jack Woody is a new entrant representing Bethel Hill, a good community for real support. Miss Manila O'Briant of Allensville is a promising new worker who is off to a good start and seems to have plenty of determination to be a winner. Miss Lucille Berry of the Hurdle Mills community is signed up as a contestant and no doubt can get a good share of the \$2,000 in cash which is here for real workers. There is still room for a few more workers who are willing to go after it and know how to keep from saying "I Can't."

"100 Percent Dentally Fit"

Taken at the conclusion of a special State Board of Health dental clinic, 157 pupils of the Ca-Vel school, faculty members and local notables are shown in the above photo. The picture was taken just after all "necessary dental work" at the school had been completed.

Recognized on the left side of the photo are Dr. A. L. Allen, health officer, R. B. Griffin, superintendent of county schools, Miss Elizabeth Lancaster and Mrs. Ben Brown, faculty members. On the right side may be seen Miss Mable Montague, Mrs. R. W. Trowbridge, Mrs. Ray Parrish, Miss Anna Wooding Winstead, faculty members and Dr. A. C. Early, health dentist.

CA-VEL SCHOOL IS DENTALLY FIT

Dr. A. C. Early, Dentist, Completes Successful Clinic At Local School.

"One hundred percent dentally fit" were the words used by Dr. A. C. Early, dentist with the State Health Department, in describing Ca-Vel school children following a two and a half weeks dental clinic conducted by him.

Dr. Early, who completed a similar clinic at Bushy Fork last month and now has one underway at Hurdle Mills, was enthusiastic in his praise of the Ca-Vel school, its teachers, students and parents. Describing the attitude of both parents and teachers as "very cooperative," Dr. Early also praised mill officials for their help in making the clinic successful.

One hundred fifty seven pupils were examined and treated with a total of 1,003 operations, he said. All teeth were cleaned and all necessary dental work done during the two and a half week period. A total of six classroom lectures were made by the dentist.

So enthusiastic were the children about the project, Dr. Early said, one boy, Espy Jones, Jr., refused to get in the picture of the group shown above because he had been absent and had not had his teeth cleaned. Needless to say his needs were cared for immediately after the picture was taken.

Revaluation Bill For Person County Pending In Senate

Perkins Wants Premium Checks Presented Now

R. L. Perkins, president of the Person County Fair for 1938, stated this week, that all outstanding checks given as premiums for exhibits should be presented to his at once for payment.

Payment has been delayed on several of these checks, but Mr. Perkins wishes to wind up this part of the fair.

Checks may be presented to him on the street or at his office on Reams ave.

IMPROVEMENTS

Improvements are being made around the front of the Palace Theatre of this city. Manager Kirby indicates that there will be more lights and perhaps a sandwich counter for the convenience of theatre patrons.

SERIOUSLY ILL

Little A. M. Burns III, infant son of Mr. and Mrs. A. M. Burns, Jr., is seriously ill at Duke hospital. His condition was reported as "about the same" this morning.

Property Revaluation Will Get Underway In County Soon After Passage.

A complete revaluation of all real property in Person County will get underway as soon as a local bill authorizing it is passed by the State Senate, County Accountant J. S. Walker, who also will supervise the revaluation, indicated yesterday.

The bill, prepared by County Attorney R. P. Burns and sponsored by Representative Ed P. Warren of Person, has already passed the House of Representatives and is now pending before the upper branch of the General Assembly.

The revaluation must be completed before April 1st. when property is given in for taxes. The last complete revaluation was in 1920. A revaluation was authorized in 1932 but due to the lateness of its approval by the legislature, the county took a horizontal cut instead of revaluation as planned.

According to the law, two men will be appointed in each township who will make the revaluation under the tax supervisor.

Bushy Fork Moves To Compile Alumni List

Bushy Fork P. T. A. school officials moved today to compile an active list of the alumni of the local institution.

Said they in commenting on the movement: "Since Bushy Fork has made such progress during the past three years in its new location and new building, it has been suggested that a list of all the alumni be compiled in order to keep them informed of the activities of the school. We desire to make this list as nearly accurate as possible."

It was indicated that, in an effort to get as complete a picture as is reasonably possible, it

It's Plant-Bed Time For Person County Farmers

Plant-bed time is here and soon the farmers of this county will be planting another crop of "golden weed?"

Approximately forty fertilizer dealers in Person County are making an effort to get the fertilizer business from the tobacco growers and the growers are now buying a few sacks for their plant-beds. By the end of next month the fertilizer season will be hitting its full stride and truck loads of this crop making material will be riding to the country.

Right now the farmers are making applications for loans from different lending agencies. This is a very important detail as it is generally understood that a large amount of fertilizer is purchased on borrowed money.

Some farmers predict that tobacco will sell good next year; others shake their heads. All are anxious for the selling season to begin and regardless of whether the price is high or low there will be a large amount produced in this county unless hard luck strikes in the form of hail, too much rain, not enough rain, blue mold, too much sunshine, not enough sunshine, too much wind or, too many fires while curing takes place.

Person is a tobacco county—what will the harvest be?

STILL ROOM FOR MORE WORKERS IN CAMPAIGN

One Subscription Now Worth More Than Two Later In Campaign.

Saturday night, February 11th., is the end of the biggest votes on \$30.00 "clubs" of subscriptions. This offer was made to boost early workers and to attract new members. By turning in to campaign headquarters \$30.00 worth of old and new subscriptions on or before Saturday night, any member may obtain 300,000 extra votes. Two clubs would earn 600,000 extra votes and so on. Get as many of these \$30.00 clubs as is your ability to sell.

Subscriptions carry a far greater vote value now than they will ever again, therefore, it behooves everyone to do his level best now while subscriptions yield such a tremendous vote value.

Financial independence is the dream of every individual—yet when opportunity knocks at our door, we seldom recognize it. The Times offers to every man and woman in this territory an opportunity to acquire something they have probably dreamed of all their lives—a new car—the down payment on a new home—the start of a college education—a vacation abroad—a thriving business or a reserve bank account.

The "Cash Offer" Campaign points the way to any of these things. A handsome reward is offered for your efforts. This newspaper recognizes that the return of prosperity necessitates the spending of money and offers

Woman's Club Endorses Bill For Library Aid

The Roxboro Woman's club at its regular meeting Monday afternoon at the Community house endorsed the State Aid for Libraries bill and dispatched telegrams to Senator John S. Watkins and Representative Ed P. Warren urging their vote for the bill in the current General Assembly.

At the business session presided over by Mrs. R. H. Shelton, it was voted to donate \$15 to the health department to help replace an X-ray tube in the fluoroscope machine used in the fight against tuberculosis.

A nominating committee composed of Mrs. Jack Strum, chairman, Mrs. J. H. Lanning and Mrs. R. H. Gates was appointed to present a new slate of officers for the year at the next meeting of the club. Mrs. Homer B. Mask, president of the 8th district, will visit the club at its March meeting, it was announced.

A musical program under the direction of Mrs. S. B. Winstead and presenting part of the high school glee club was a special feature of the afternoon's program.

Active Workers Getting Results As Big Extra Vote Offer Nears Close

Every Active Worker Will Make Good Sum Of Cash!

MR. PUBLIC: Now is the time to give your favorite campaign worker your subscription which will help them to win the \$600 award. One subscription given now will count them more votes than two will later in campaign.

CA-VEL LEADS THE VOTE LINE UP THIS WEEK Roxboro, Leasburg and Bethel Hill Follow Close.

Mrs. Matt Dickerson of Ca-Vel is leading the vote line for this week. She has good boosters and plenty of determination. Miss Cushwa and Mrs. Stewart are second in the lineup this week, and a couple of real fighters they are. Mrs. Day, Miss Chandler and Wheeler Carver are doing some splendid work and running a close third in the line-up in the lively race for the big awards. Mrs. Jack Woody of Bethel Hill is getting started off with results very commendable for a new worker. "Who Will Win" depends largely on the workers themselves.

Workers Who Are Low This Week May Be Leaders By Next Week. Think Now! Figure Now! Act Now!
