mond for about 12 months with a department store.

Funeral services were conducted at the First Baptist church in Danville at 11 o'clock Monday morning. Interment was in Mountain View cemetery.

Olive Hill PTA Reviews Year's Accomplishments

The Olive Hill P. T. A. met last Friday evening at the Community building. There were about a hundred and fifty people present who prior to the meeting enjoyed a delectable picnic supper together.

After the feast, Mrs. W. C. Warren called the meeting to order and recognized the invited guests, Miss Lake Allen and Miss Velma Beam, and members of the school committee, Messrs. John Brewer, M. T. Williams and Guy R. Clayton. Mr. Young then read several verses from the second chapter of Timothy, his key verse being "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth," which he discussed readily.

All chairmen of committees gave favorable reports of the year's work. Mr. Young, historian, brought out the main objective of the P. T. A. "to bring in closer relationship the home and the school," and he stated that this objective had been realized as never before, and, as a result, more had been accomplished for the school than heretofore. At the very beginning, a membership drive was sponsored which brought in many new members, and practically doubled the former membership.

The school's accomplishments for the year have been the installation of a cafeteria, making complete payment on a Ditto machine amounting to a hundred dollars, and recently added athletic equipment for all grades, these things having been paid for and leaving a small surplus on hand. Ways of securing funds have been by serving meals to various organizations, giving a faculty - community play, individual donations, sponsoring plays and a Chinese checker party. The objectives set for next year are to improve the library by increasing number of books available to children, school grounds will be made more beautiful, and health findings of this year will be continued with improvement being made where it is possible.

Officers elected for the new year are as follows: President, Mrs. W. C. Pulliam, Vice-President, Mrs. W. C. Warren, Secretary, Mrs. W. C. Winstead, and Treasurer, Mrs. Fletcher Carver. The P. T. A. regrets to lose Mrs. Warren as president because she has accomplished so much, but with Mrs. Pulliam and Mrs. Warren as co-workers, there is great hope for the coming year. Other officers are (1) Summer Round-Up, Mr. Young, Chr., Mr. Walter Clayton, Mrs. Clark Neathery; Program Committee, Mrs. Carl Winstead, Chr., Mrs. Maurice Daniel, Miss Mary Kelly, Mrs. M. T. Williams; Membership, Mr. L. L. Long, Chr., Mrs. J. H. Rudder, Mrs. Hassell Clayton, Mr. Owen Evans, and Mrs. Numa Edwards, reporter.

The faculty members were very pleasantly surprised when Mrs. Warren called them to the front and presented each of them with a lovely gift from the P. T. A. as a token of appreciation for the year's work.

Nine Month's Term Discussed

(Continued From Front Page)

saying that the board was in favor of better schools, but had no definite opinion about a nine month term.

R. L. Harris was given the question — "Do you think our tax rate for the ninth month would be too excessive for the benefits obtained?" His reply was that the tax rate would be about twenty cents on the hundred dollar valuation for the district, and that the people of the district would have to answer the question as to whether that was too high or not.

Mrs. T. C. Wagstaff stated that she did not think the ninth month would cause children from the country to leave before the school term was finished in order to attend to farm duties.

S. G. Winstead said that he believed that children who attended a nine month school term had an advantage over those who had only eight months.

After these talks the meeting was thrown into a general discussion. Questions were asked and answered and many present expressed themselves as being in favor of the extra month.

Cluster Springs Banquet Is Held
