

Faculty Reviews Year's Work

(Continued From Front Page)

for their helpfulness and co-operation. "Welcome" is the motto of Central school.

Deep appreciation is due the Kiwanis Club for the aid given to the number of less fortunate children in our school. Also to the many friends who have helped in any way by providing milk or clothes or what not. Many a little heart has been gladdened and many little bodies warmed by the generous gifts. To the room representatives a great measure of gratitude is felt for their many "treats," aids, co-operation, etc.

The school feels very proud of its Patrol Boys. This year is the first year that Central School boys have had a part in the patrol system and they have rendered exceedingly creditable service to the school, town and children of the community.

Pupil participation in extra-curricular activities has been greater this year than probably any other school year. The part taken in the Red Cross drive, Christmas and Easter seal campaigns, Clean-Up Week campaign and others not recalled at present has been of great value, not only to pupils but the community as well. Then, too, the rendition of the Christmas Cantata, The Great Deliverer, and the May Day program are other highlights in the school's extension.

Many worthwhile additions have been made to each of the grade libraries, maps and a globe to the grammar grades, and sets of books for the primary grades. The Physical Education equipment has been supplemented by see-saws, volley ball courts, etc.

Realizing that this school year has not been perfect by any means it is felt that considering the shortage of teachers and space much has been accomplished. Perhaps here is the place too, to say that the Central school wish to ask that it, too, may have a substantial consideration as to needs during the summer vacation. By way of suggestion may the floors, walls, ceilings, boards, windows and desks be gone over, renovated and put into usable condition before opening of school in the fall?

Best wishes to all our freinds for a happy vacation.

To Mr. J. W. Gaddy, Jr. the school, pupils and faculty wish the best and hope that his successor will be as pleasant to know and work with.

Mitchell county 4-H Clubs have raised \$150 for rebuilding the 4-H camp at Swannanca, reports F. L. Woodard, assistant farm agent of the State College Extension Service.

Citizens Warned Of Bogus Salesman By Melvin Burke

Melvin H. Burke, secretary of the Roxboro Chamber of Commerce, was notified by the St. Louis Chamber of Commerce today, that an individual, who apparently obtained one of the catalogues of the Briell-Rogers Cotton Goods Company of St. Louis, is falsely representing himself as a salesman of this company.

He is taking orders for uniforms and various items from hotels, beauty parlors, tourist camps and other small business concerns, collects cash deposits and advises customers the goods will be shipped later. In some places checks have been made payable to himself and cashed locally.

All firms and business establishments of Roxboro as well as the general public are urged to take notice of this "Business racket" so that no one in this vicinity will be victimized by this individual.

WHOLESALE ORDER

Nearly 2,000 bushels of Coker 100 cotton seed, purchased cooperatively through the county agent's office, have been distributed to Northampton County growers.

ADVERTISE IN THE TIMES FOR RESULTS.

NEW ARCHBISHOP NAMED
Rome, Italy—The Right Rev. Francis J. Spellman, Auxiliary Bishop of Boston, has been named Archbishop of New York to succeed the late Patrick Cardinal Hayes. He is trusted confidant of the new Pope Pius XII, and it is expected that he will shortly be elevated to the Cardinalate. So far as is known, he is the only member of the Roman hierarchy to possess a license as an aviator, which he obtained in Italy while serving in the Vatican secretariat.
