## PERSON SPORTS SLANTS

By THOMAS J. SHAW, JR.

### One Way To Produce . . . . .

The other day we went to a public school social function given by the parents of the children. We say parents, but really we are not being quite honest when we say that, for the better part of the "parents" there were the women-folks.

This observation in itself has such a commonplace air that few will pause to consider it. Tradition has made the "tradition of female participation" in school affairs so acceptable that it is not often remarked upon. "And so what, say you, is this doing in the sports column?"

Here is the connection. Later on in the same evening we were talking to Coach George Wirtz, of the Roxboro high school. Talking, as was natural about athletics, and football in particular, we got around to the question of school spirit. Also mentioned was the invaluable aid of loyal town and county support for high school athletic events.

Coach Wirtz, who had been one of the scarce men at the afore-mentioned school social function, remarked that boys and girls naturally react to the proportion of athletic interest demonstrated by their parents. He said he was grateful for the manifestation of enthusiasm shown by parents in Roxboro, which, by the way has been considerable and much more than is commonly exhibited by older citizens of either sex.

And, here is the "Sports-Slants additional thought: if only the women, God bless 'em, would increase their interest and active support of the games in which their sons and daughters participate, there would be no particular problem in connection with athletic programs and school spirit. Directed toward athletics, spectator point-of-view or otherwise, a woman's power can be felt. In other directions it moves, it gets things done. So, why not?"

The men are always supporters of athletics, or else they pretend they are, out of a sort of sense of shame because drive and drive for an idea or an ideal as women can. On the drive and drive for an idea or an ideal as women can. On the local football field the girls constitute an active cheering section, but some of them growing older, as wives and mothers, tend to "water their athletic spirit down", and because they do, the public school athletic program frequently suffers a moral decline.

John and Mary and Jane and Sam, to use only hypothetical names, would be greatly heartened on the playing field if they knew "Mother" or "Aunt Something-or-Other" was watching them play.

O-O-O-O

### The Way It Is Now . . . . .

Before we were finished talking with Coach Wirtz he happened to mention the fact that the Roxboro Ramblers have no game scheduled for Friday of this week. Any team anxious to take one on with the Ramblers, ought to be interested. Mr. Wirtz said he did not know why this break in the fall program had not been filled before now, but regardless of what happens at Hillsboro Friday he and his boys stand ready to take on a nice strong team. And, now, maybe we will start thinking about the college football games of yesterday. It is a ready topic anywhere, anytime, but we promise not to fill out this Sunday space with our thoughts there on.

### Person A. C. A. To Hold Election

(Continued From Front Page)

cooperate in any such program during the ensuing year, is qualified to vote in this election. The Washington and Raleigh offices and all county offices are urging each producer to be present at his own township election. Each farmer should vote in the township in which his farm is located. This way he can express his choice in selecting the committeemen who will have supervision

of questions pertaining to his farm.

The essential duties of committeemen are to determine farm acreage allotments, normal yields and soil building goals; according to rules and regulations of the program; to determine farm marketing quotas, when applicable; to handle local administration of commodity loans and wheat crop insurance and to assist in explaining to farmers the purposes and provisions of the program; and to perform such other duties as may be prescribed by the Agricultural Adjustment administration.

## Ramblers Fight Hard For 14-12 Victory At Hillsboro

Winning from Hillsboro high school by a score of 14 to 12 the Roxboro Ramblers Friday afternoon lost their unscored on record for this season, but they put up an excellent fight against the rough opponents.

The local gridsters still have a fine record which they are holding out to, even if they have been scored on, and that is only eight first downs have been made against them during the entire season. The Rambler line is not very heavy but all contain drive and plenty of speed.

In Friday's encounter, both teams scored a couple of markers during the first half, which put them in a 12-12 deadlock at half-time, but in the third quarter, the Ramblers, with new moral support from Coach Wirtz, plowed through the Hillsboro lads. On one of Hillsboro's attempts to kick from behind their own stripes, the punt was blocked and although they recovered, it was in the end zone, giving two points the locals, which cinched the game.

Red Day, Charles White and Hasell Whitfield played outstanding the entire time.

Touchdowns for the Ramblers were made as follows: Day going through the center of the Millsboro line, standing up, for 16 yards, to make the first,

then for the second, it was a long pass from Day to Holeman, who ran 55 yards across the goal.

Several of the local boys received minor injuries, but none proved to be serious.

## Olive Hill Club To Contribute To Person Milk Fund

By Mrs. W. C. Pulliam

The Home Demonstration club of Olive Hill held its regular monthly meeting in the Community house Wednesday, October 18, at 2 o'clock. Mrs. C. E. Brooks, president, was in the chair for the business session at which time several important items were discussed and voted on.

Decision was reached that this club should sponsor the Milk Fund in their community by giving the milk itself to the needy children.

After consulting the health department staff and securing their sanction in the project it was planned that one person should donate several quarts of milk each day, on the same day of each week. Thus each malnourished child will be assured of his quart of milk each day. Mrs. Brooks has a supply of milk bottles and tops which she offered for use.

All of the officers were re-elected for the coming year with the exception of the secretary, Mrs. W. C. Pulliam, who found it necessary to resign. Mrs. Kelly Brewer was unanimously elected to this office to succeed Mrs. Pulliam.

The members were urged to bring their exhibit of meats, vegetables and fruits for the Kerr and Ball Contests to be held November 6 at the regular meeting of the County Council of Home Demonstration clubs. At this time Miss Maude Searcy, Caswell county's Home Agent, will judge the exhibits. Mrs. Cornelia C. Morris, Extension Specialist in Food Preservation, will also be present to make pertinent suggestions concerning the conservation of all foods.

An inspiring devotional program was given by Mrs. Raymond T. Winstead, who was assisted by Mrs. John D. Winstead, Jr. The theme was "The Beautiful Things in Life."

The major project demonstration given by the Home Agent, Miss Velma Beam, was on the subject of "Selection of Small Kitchen Equipment."

Olive Hill club will meet next at the Community house on Wednesday, November 15 at 2 o'clock. Each member is urged to bring one new member to this meeting.

## New Film Play Is Highlighted By Fast Action

Lovely dark-tressed Andrea Leeds and six-foot he-man Gary Cooper provides the romantic interest in Samuel Goldwyn's "The Real Glory," the new adventure drama about the heroic exploits of the Philippine Scouts, which will be shown at the Palace theatre tomorrow and Tuesday.

The story of "The Real Glory" was transferred to the screen from the script written by Jo Swerling and dramatizes the bold era of adventure, drama and turmoil which resigned in the Philippines following the end of the Spanish-American War, when the American Army was evacuated and the island were overrun by religious terrorists and insurrectionists.

## 'Under-Pup' Is Surprise Hit

While it is the singing voice and youthful charm of the eleven-year-old newcomer, Gloria Jean, that furnish the pleasant surprise to audiences viewing "The Under-Pup" at the Dolly Madison theatre, tomorrow and Tuesday, the amazing youngster is by no means the whole show of the new romantic comedy.

No surprise, however, is the sparkling romantic team of Robert Cummings and Nan Grey, already established by their appearance together in "Three Smart Girls Grow Up." And the outstanding cast performs an anticipated. Among the leaders are Beulah Bondi, Virginia Weidler, Margaret Lindsay, C. Aubrey Smith, Billy Gilbert, Ann Gillis, Raymond Walburn and many others.
