

Delegates Selected To Represent 4-H Clubs Announced

Raleigh, April 25 — The two boys and two girls to represent North Carolina's 50,000 4-H club members at the 14th National Club camp in Washington, June 12-19, have been announced by L. R. Harrill, 4-H club leader of the State College Extension service.

They are: Margaret Ellis, 18, of Durham county; Sue Parker, 17, of Jones county; Alfred Greene, 20, of Durham county; and Rudolph Ellis, 20, of Cumberland county.

The selection of these delegates came after a careful study had been made of the records of Tar Heel club members. To be named a delegate to the national camp is considered the highest honor that can be offered a 4-H club member.

Margaret Ellis, the daughter of Mr. and Mrs. A. W. Ellis, Morrisville, route 1, has climaxed her nine years as a club member by serving this year as president of the State 4-H Council. She has participated actively in club work and has held many offices in her club and county.

Sue Parker, the daughter of Mrs. Leon Parker, of Pollocksville, has been a club member for the past six years. In addition to holding high club offices, she has completed projects in clothing, yard improvement food conservation, wildlife conservation, and foods and nutrition.

Rudolph Ellis, the son of Mr. and Mrs. L. J. Ellis, of Fayetteville, route 6, has been in club

Fond Farewell

bidding farewell to his infant son is this British soldier who returns to the front after a leave of absence. The baby was born while his dad was at the front.

work four years and has specialized in crops projects. During this time, he has developed from his peanut project a business which is returning him a net income of more than \$100 a month. He has been active in club work and has held important offices in his club and county council.

Alfred Greene, the son of Mr. and Mrs. J. B. Greene, of Durham, route 1, has completed nine years of club work, making a total profit from his project of \$1,027.79.

ONE-THIRD

To show the importance of cotton in the agricultural scheme of the nation, the U. S. Department of Agriculture points out that nearly a third of the farms in the United States grow this crop.

EMPLOYERS MAY SAVE ON TAXES

Those Subject To State Unemployment Taxes May Save On Taxes.

Raleigh, April 25—Employers subject to the State Unemployment Compensation Law, who have not paid their 1939 contributions, may still save on their Federal taxes if they make the payments by June 30, Chairman Charles G. Powell, of the State Commission, points out. These payments were due by January 1 and if paid to the State Commission by that time, the paying employers receive 90 per cent credit, leaving 10 per cent for the Government. If contributions of 1.7 per cent of payrolls were not paid to the State by January 31 but are paid by June 30, then credit of 81 per cent is allowed, and the Federal penalty is nine per cent. If paid later, the Federal Government collects the full 3 per cent of the payroll, in addition to the State's 2.7 per cent, almost doubling the original tax, Mr. Powell said.

LAND POSTED SIGNS AT THE TIMES OFFICE

LEGAL NOTICE

NOTICE TO LANDOWNERS IN PERSON COUNTY

THIS IS TO NOTIFY all persons owning real estate located in Person County that the Board of County Commissioners will meet in the Commissioners' room in the Court House on Monday, April 29th, at 10 o'clock A. M. for the purpose of acting as a Board of Equalization and Review. The purpose of this meeting is to hear complaints from taxpayers respecting the valuation placed upon real estate owned by them and to adjust inequalities found to exist. Any tax-payer with a complaint may appear in person or by attorney before the Board on that date and make such complaint or may make it in writing to the Clerk of the Board prior to that date. It should be remembered that the sole purpose of the meeting is to adjust inequalities in valuation.

W. T. KIRBY,
Clerk of the Board.

UNCLE NATCHEL SAYS...

NATCHEL FOOD... Nature has her own wise way of supplying natural food for every living thing. Chilean Nitrate of Soda is Nature's own food for your crops. It is the only natural nitrate in the world. Its quick acting nitrate and its natural blend of other plant food elements help feed the crop and maintain the soil in good producing condition. Chilean nitrate is ideal for all purposes—under the crop, for top-dressing, for side-dressing. Use it regularly and get the full benefit of all its natural fertilizing and soil improving qualities. No price increase. There is plenty for everybody's needs.
