

PERSON HEALTH DEPARTMENT TO INSTIGATE TOURS

Vaccinations Against Typhoid Fever, Diphtheria and Smallpox Will Be Given At Points In County.

Starting on Tuesday, May 14, and continuing on successive Tuesdays through June 4, officials of the Person unit of the tri-county department will institute a series of typhoid and diphtheria vaccination tours in Person county.

First stop will be at 9:15 o'clock in the morning at Longhurst; the second will be at 10:15 at S. P. Gentry's store and the third will be at Robertson's store, Woodsdale, at 11:15. In the afternoon, first stop will be at Mason Murray's store at 12:30 o'clock, while at 2 o'clock High Plains Indian school will be visited. Next will be Mrs. Henry Tuck's store at 3:30, and Dixon's store at 4:30, while final point will be Gravitte's store at 5:15.

It was indicated that this schedule will be adhered to on each Tuesday through June 4 and it was also announced that three doses of typhoid vaccine are required to produce immunization. For this reason residents desiring typhoid inoculations are urged to seek first appointments on May 14 or 21. Smallpox vaccinations may be taken at the time the third typhoid treatment is administered.

In speaking of diphtheria inoculations, Dr. A. L. Allen, Person Health Department head, called attention to the fact that state law now requires that all infants and children between the ages of six months and six years be given diphtheria toxoid, and that parents who do not permit their children to be immunized against this disease will be subject to prosecution.

Dr. Allen also said that several weeks must elapse before immunizing effects for typhoid, diphtheria and smallpox vaccinations

Rotarians Return From Gathering At Rocky Mount

Headed by W. H. Harris, and club president R. B. Griffin, a delegation from the Roxboro Rotary club returned Friday from the 189th district convention held in Rocky Mount. Among those making the trip were T. T. Mitchell, Henry Gates, Glenn Titus, Nathan Lunsford and Mr. and Mrs. Wallace W. Woods and Mr. and Mrs. W. Reade Jones and Miss Hilda Shoemaker, all of whom reported an enjoyable occasion.

At the local club dinner session which was held Thursday at Hotel Roxboro, City Manager Percy Bloxam was guest speaker. Describing the "Need of the Hour" in America as a need for more appreciation of the principles for which American forefathers fought and died, Mr. Bloxam urged members of the club, as responsible citizens, to be on their guard to preserve American ideals.

Giving his message a personal touch, Mr. Bloxam quoted from a letter, he recently received from his father in England in which the elder Mr. Bloxam described conditions of war-time in that country, where conflict has come because of the necessity of fighting against totalitarianism in Europe.

Second speaker of the evening was Dr. A. L. Allen, whose subject was "Fellowship" as it is enjoyed in Rotary. His message was humorous but was also packed with pertinent observations on benefits derived from friendly contacts made through Rotary.
