## We Picked On Friday

Carolina over State; Duke over Colgate; Virginia over V. M. I.; Ga. Tech over Vanderbilt; Wake Forest over Marshall; W. and L. over Richmond; Ohio over Furman; Tenn. over Alabama; Howard over Army, etc.

Your pick is as good as any and this column would be glad to publish a few selections that fans around here might make. It will not cost you anything and it will be a lot of fun.

## What Will The Draft Do?

Many people have been wondering about the draft as it concerns football and basketball players. We do not think that the draft will bother boys who have not completed their education and a majority of the league baseball players are married. Therefore that means that the sports program should not be bothered much by the draft—yet.

Anyway you take it the athletic program of this world will continue to go ahead. America must have its fun in spite of a war-like world. And that's a good idea.

## Athletic Club Organized

A group of business men in this city have organized an athletic club. This group is composed of men who are a little too old to play football, but they do like to get some exercise. If you are interested in joining you can see Mr. Wilson at the Western Auto Store or Ray Jackson at Electric Appliance. Dues are only one dollar.

Right now the boys are playing basket ball. Later on they plan to do some boxing and will play softball next summer.

## What's Wrong, Durham?

Frank Lane, chief of the minor league farms of the Cincinnati Reds, said tonight that the question of dropping Durham, N. C. as a farm would be determined at a meeting of Piedmont League directors at Richmond, Va., Sunday.

Lane said Fred Fleig would represent the Reds at the meeting.

People in Roxboro would certainly hate to see Durham lose its baseball team. The Bulls have many supporters in Roxboro who go to Durham to see games and they want to continue to see these games.

However, we have an idea that Durham supporters will come through and see to it that the Bulls play again next year.

Lively action shots, like this, are taboo for the slow lens—but the fast lens and fast shutter get them easily.

If you have a fine, fast lens on your camera, it's something like having a motor of ample power in your automobile. The reserve capacity is there when you need it—for emergencies, unusual situations, sudden traffic problems, steep grades and bigger hills.

There are two "hills" in photography. One is fast action. The other is adverse lighting—shade on your subject, dull cloudy days, weak light in extreme late afternoon, and some after-dark subjects. The fast lens—always fitted to a shutter of excellent speed—takes care of you on both these hills.

Of course, if you stick to subjects that will stand still in bright sunshine, the slow lens is all right. Millions of fine snapshots are taken with slow speed lenses every year—and when you're careful to choose suitable subjects and lighting conditions, good results are certain.

But—who is willing to stick to "motionless" subjects? How about the baby, who is best for pictures when he is in a lively mood? How

about the pet? How about the skipping rope or Bill at basketball practice, sledding, or skating? How about parades—games on your picnics or outings—and natural, unposed shots of friends? No; for all-around use, and really good pictures, a fast lens is the prescription. And I, for one, believe it quickly pays for itself in snapshot satisfaction.

Some amateurs think it's harder to use a fast lens, but that isn't really true. For ordinary shots, set the lens at f/11, use a shutter speed of 1/25 second, and have the focus at 15, 20, or 25 feet. When light is weak, or when you're using a high shutter speed to "stop" fast motion, just use a larger opening, and set the focus for the distance from camera to subject.

For better pictures—wider subject range—more safety and peace of mind in shooting subjects that may move—a fast lens and fast shutter are the thing. You'll realize that the very first time you use them.

# Holeman, Day, Woods, Whitfield Take Honors In District Victory

Roxboro high school Ramblers under Coach George Wirtz continued their winning streak Friday afternoon by defeating a strong aggregation from Hillsboro by a score of 32 to 6 on the Roxboro field.

This conference tilt was the one deciding the Class B conference championship and the Ramblers did a fine piece of work in easily taking the visitors.

After their win and the defeat of Cary last Friday week, their district opponents, Roxboro will on November 15 go to Raleigh for semi-final play.

At the first of Friday game the locals took an offensive step and kept it up during the encounter. The first quarter started the scoring spree and on a long pass from Lewis (Red) Day, that promising field general, to Co-captain Lawrence (Gus) Holeman, towering right end, the first tally came. The pass was good for about 40 yards. Henry Newell, Rambler blocking back, who should get state recognition for his fine play in this and all other games, carried the ball over on a line play for the extra point. Henry is the man all Roxboro backs want paving the way for them, and he does it splendidly. Second touchdown came on another long pass from Day to Holeman and the extra point came in the same way, from Red to Gus. Then Hillsboro's quarterback, Roberts, took a lateral on the kickoff and ran 80 yards for the visitors lone score. This was the longest run of the contest.

During the second stanza only one marker was made, Tom Hill Clayton, local wingback, on a reverse, ran for about 20 yards and then a score. Red Day, in the third and fourth quarters, went over for 12 more points and thus the game ended with Roxboro a decidedly better club.

In dishing out individual honors it would be difficult to pick any one man, as the entire team played wonderfully well, but special mention should go to Milo Dixon, Rambler back, for the fine spirit exhibited by him and his powerful drives during the entire afternoon. Also to that big 265-pound tackle, Lindsay Wagstaff, who played a whale of a game in the line on both offense and defense. Other prominent line men were Gus Holeman, co-captain and end who accounted for two touchdowns and one extra point. His ability to go down on punts is also to his credit. Now for Fred Woods, co-captain and guard, who with his powerful partner, Hassell Whitfield, tackle, was always able to make holes in the line that were large enough for any back to go through. And on defense, they also made holes and on several occasions threw the Hillsboro backs for great losses.

Bill (Sweetpea) Newell, guard, and Sam Unstead, center, were also there doing their part on both offense and defense.

Coach Wirtz said that in the game Friday Red Day did one of the best pieces of work as a quarterback he's ever seen in high school play. Favorable comment also came from Dan Hill and Roger Robinson, officials of the game from the Duke university coaching staff.

Work will begin again tomorrow afternoon to get the Ramblers prepared for the game with Schoolfield high school, Schoolfield, Va., next Friday night at 8 o'clock at Schoolfield.

## Races Today

High Point, N. C. Oct.—19 The new mile High Point Speedway, under construction since April, is to be unveiled here Sunday, October 20th, when the huge saucer will be the scene of a six-event program of A.A.A. sanctioned automobile races, in which the nation's foremost drivers and the country's fastest cars will compete.

A speed of 120 miles an hour is expected for the inaugural, the steep, banked oval has been treated with calcium chloride, and this has added greatly to the natural speed of the course and accounts of the predictions of experts.

Judging by the caliber of the field record-breaking speed is a certainty. The field, by far the strongest ever assembled in the South, embraces stars from every section of the country and includes many drivers who have never before raced in this area.

Heading the list of newcomers is Duke Nalon of Chicago, Ill., known as "The Iron Duke of Racing" because of his powerful frame, his ability to withstand long grinds and his speedy recovery from his many racing crackups. He is to drive the single-seater car owned by Paul Weireck, Los Angeles, Calif., which holds more mile track records than any other car in the nation.

Other Mid-western drivers entered include Duke Dinsmore of Dayton, Ohio; Milt Frankhausen

of Steubenville, Ohio; Everett Saylor of Dayton, Ohio, and Joe Chitwood of Pawhuska, Okla.

The East will be represented by Bob Sall of Paterson, N. J.; Lee Wallard of Schenectady, N. Y.; Walt Brown of Massapequa, N. Y.; Buster Warke of Williamsport, Pa., and Mark Light of Lebanon, Pa. Among others entered is the crack Dallas, Texas ace, Buddy Rusch.

Time trials will start at 1 p. m., with the first of the competitive races slated to get under way at 2:30 p. m.

"When statements about Alka-Seltzer are made over the air, please, please believe them." Mrs. Oma Catherine Jones

MILLIONS suffer less from Headache, Acid Indigestion, Distress of Colds "Morning After" and Muscular Fatigue because they have heard—and believed—Alka-Seltzer radio announcements.

To these millions, the relief obtained by the use of Alka-Seltzer is worth far more than the genuine enjoyment they get from the broadcasts.

The most important parts of our radio program, both to you and to us, are the commercial announcements. Once you have tried Alka-Seltzer we believe you will agree with us.

But try Alka-Seltzer because it is an unusually effective medicine not because you enjoy the radio programs.

WHY ALKA-SELTZER IS SO EFFECTIVE The pain-relieving analgesic in Alka-Seltzer is in complete solution, ready to ease the distress as soon as you swallow it. The painrelieving action is made more effective by alkaline buffers. The alkalinizing elements in Alka-Seltzer reduce excess stomach acidity.

Get Alka-Seltzer the next time you pass a drug store. Large package 60¢ Small package 30¢ Try a glass of Alka-Seltzer at your Drug Store Soda Fountain.

at Burlington The afternoon's victory for the Hilltoppers was their first of the season, after having previously lost to both Methodist Orphanage, Raleigh, and Schoolfield, Va. Next game for Bethel Hill will be with Hargrave Military Academy, Chatham, Va., at Chatham.

Score in the Burlington game was made during first moments of the final quarter when Buchanan intercepted a Burlington pass and ran sixty yards.
