

County Records To Be Indexed

(Continued from Front Page)

The indexing service is regarded as a valuable and much needed revision of record keeping. Although no official action was taken, the possibility of an airport for Roxboro, as announced several days ago by City Manager Percy Bloxam, was discussed by the commissioners. Formal approval of various bills currently payable was given, with Chairman Philip L. Thomas presiding. Mr. Thomas today presided for the last time after having served as chairman for two terms.

Successor to Mr. Thomas on the board will be Sam Byrd Winstead, Roxboro tobacconist, who will enter upon his duties in December, at which time a new chairman will be named. Others on the board, re-elected for office and present at today's session were D. M. Cash and Frank T. Whitfield.
