April Bride-Elect Honoree At Party Given By Two Hostesses

Honoring Miss Catherine Crosley, April bride-elect, Mrs. Freeman Canning and Miss Theo Martin were hostesses at a surprise party given Friday evening at the North Main street residence of Miss Martin.

Showered by rose petals which were released from a wedding bell as she entered the front door, the honoree, Miss Crosley, was also recipient of a miscellaneous shower of gifts from friends who were gathered at the Martin residence for the informal dinner and the bingo party which followed.

Dinner was served at eight o'clock. Decorations at the dining table were in traditional green and white, the central feature being a white umbrella suspended from the chandelier and containing gifts for Miss Crosley. Ribbon streamers hung from joints of the umbrella and softened the green and white flower arrangement used as centerpiece. Miss Crosley's place was marked by a white satin-covered horse shoe and other placecards were placed for Misses Mary Lee Judd, Frances Critcher, Mary L. Ellmore, Carolyn Michaels, Esther Walker, Mary S. Woody, Mildred Crosley, sister of the honoree, Mesdames Sanders McWhorter, Robert Stephens, George Paylor, George W. Wirtz and the hostesses, Miss Martin and Mrs. Canning.

Later in the evening bingo was enjoyed and six prizes were awarded. Miss Crosley's marriage to Richard O. Puckett will be solemnized in a simple church ceremony on Saturday, April 12,

at St. Mark's Episcopal church, with the Rev. Rufus J. Womble officiating.

Miss Melton Will Have Program At City High School

March meeting of Roxboro high school Parent Teacher Association will be held Tuesday evening, March 18, at 7:30 o'clock, according to announcement made today by Mrs. T. C. Wagstaff, publicity chairman. The session will be held in the school auditorium, with Mrs. R. H. Shelton, president, presiding, and the program on "Safety" will be presented by Miss Helen Melton, of the department of English.

A full attendance is requested and it is expected that interest in the program will be increased because of the "Safety Driving Practices" program which was staged here Friday by Harry M. Pontious, insurance company representative.

Mr. Pontious' program in which many high school students participated was given on a roped off section of Morgan street and was arranged largely through efforts of City Manager Percy Bloxam.

Rita Hayworth Hails Cagney's Hit Record

It was Rita Hayworth, newcomer to the Warner lot, who remembered to celebrate James Cagney's tenth anniversary in pictures.

With "Strawberry Blonde," the new film opening Monday at the Palace, Cagney begins his eleventh year in Hollywood and his 34th picture—a fact he might never have remembered if Rita hadn't recalled that just ten years ago Jimmie came to her father, Eduardo Canisno, for dancing lessons but discontinued them to start his first picture.

Rita gave Jimmy an enormous leather-bound scrapbook containing photographs of each role he has played. The book was entitled "A Cavalcade of Cagney" and included a little statistical table. Some of the items Rita recorded:

Jailed nine times, killed seven times, played gangsters 13 times, played "heroes 16 times; number of prizefights 3, lost 1.

Senior Hi-Y's Meet Monday

At the regular meeting of the girls' Senior Hi-Y Monday, Emily Moore was elected President for the coming year 1941-1942. Delegates who are to attend the Hi-Y conference in Sanford this week-end were elected. These were: Anita Kirby, Ethel Newel Winstead and the incoming president, Emily Moore. The girls will have Friday and return Sunday afternoon. It was decided that the group will attend services at the First Baptist Church Sunday. At the end of the meeting the Hi-Y's were served cakes and punch by her hostess, Miss Peggy Whitten and her mother.

School Students like good clean recreation and where do they have to get this recreation? The majority of the students attend their local church on Sunday and then rely on other sources for entertainment. All young girls and boys are going somewhere and why should they not sit in a good movie instead of going to some service station or road house where they mingle with all kinds of society? You will say they need not go anywhere but they will regardless of what you say. In other times families went to church and stayed all day on Sunday, but we don't do it today and neither do our parents.

A movie that is clean and has a moral lesson will keep more of the young society off the overcrowded highways where accidents occur daily.

Think of the more vile things a person learns on public highways.

We do not think of letting the movies interfere with our Christian life. We all love our church and Sunday School and are for these unions one-hundred percent, but after spending five days studying and going to school we do like some form of entertainment on week-ends.

Here are some remarks that were made by several students: "I think Sunday movies will keep girls and boys from seeking entertainment from more vile sources."

"We are going to go some where on Sunday and why not sit quietly in a nice movie?"

"Sunday movies will keep us off highways where accidents occur daily and injure or kill someone frequently."

We are not giving our opinions on Sunday movies to begin an argument but we are merely stating what we think and no contradiction is meant.

KNOW YOUR MONEY And Avoid Loss Due to Counterfeits

TO THE AMERICAN PUBLIC:

The United States Secret Service and your police wish you to KNOW YOUR MONEY, and through this nation-wide educational program aim to suppress the major crime of counterfeiting.

CHIEF WILSON

Observance of these few simple rules will safeguard the pocketbooks of the Nation. Therefore, I urge every person to carefully study the rules and to follow them.

The United States Secret Service is grateful for the whole-hearted cooperation which it has always enjoyed from your police officers, and we now solicit the assistance of every American citizen in this effort to prevent crime through this modern method of education, instead of the age-old method of prosecutions and imprisonment.

Chief, U. S. Secret Service.

HOW TO DETECT COUNTERFEIT BILLS

1. KNOW YOUR MONEY!

2. COMPARE the suspected bill with a genuine of the same type and denomination. Observe carefully the following features:

- (a) PORTRAIT: Genuine is lifelike; stands out from oval background which is a fine screen of regular lines; notice particularly the eyes. The counterfeit is dull, smudgy, or unnaturally white; scratchy; background is dark with irregular and broken lines.
- (b) SEAL: On genuine, sawtooth points around rim are identical and sharp. On counterfeit, sawtooth points are usually different; uneven; broken off.
- (c) SERIAL NUMBERS: Genuine have distinctive style; firmly and evenly printed; same color as seal. Counterfeit, style different; poorly printed; badly spaced; uneven in appearance.
- (d) PAPER: Genuine bills are printed on distinctive paper containing very small red and blue silk threads.

3. RUBBING a bill will NOT prove whether it is genuine or counterfeit; ink will rub off of either.

4. REMEMBER—NOT ALL STRANGERS ARE COUNTERFEITERS, BUT ALL COUNTERFEITERS ARE LIKELY TO BE STRANGERS.

TYPES OF CURRENCY

The only three types of currency printed by the United States Government for circulation are:

- 1. FEDERAL RESERVE NOTES, which bear GREEN serial numbers and seal.
- 2. UNITED STATES NOTES, which bear RED numbers and seal.
- 3. SILVER CERTIFICATES, which bear BLUE numbers and seal.

PORTRAITS

Denominations of bills may be identified by portraits, as follows:

WASHINGTON	on all	\$1.00 bills
JEFFERSON	on all	\$2.00 bills
LINCOLN	on all	\$5.00 bills
HAMILTON	on all	\$10.00 bills
JACKSON	on all	\$20.00 bills
GRANT	on all	\$50.00 bills
FRANKLIN	on all	\$100.00 bills

HOW TO DETECT COUNTERFEIT COINS

1. KNOW YOUR MONEY!

- 2. RING all coins on a hard surface. Genuine coins sound clear and bell-like. Counterfeits sound dull.
- 3. FEEL all coins. Most counterfeit coins feel greasy.
- 4. COMPARE the reading (the corrugated outer edge) of a suspected coin with one known to be genuine. The ridges on genuine coins are distinct and evenly spaced. On counterfeit coins they are poorly spaced and irregular.

HOW TO CASH GOVERNMENT CHECKS

1. KNOW YOUR ENDORSERS!

- 2. DEMAND definite identification of the payee.
- 3. COMPARE endorsement on check with signature on identification.
- 4. WPA workers carry cards with identification number, signature and physical description. If you cash WPA checks, compare these three things and make sure the description fits that of the person presenting the check.
- 5. BE CAUTIOUS about cashing a check on which the payee's address is far removed from your place of business.
- 6. REMEMBER—You may lose the amount of any Government check which has not been endorsed by the rightful payee.
- 7. MAKE A CHECK BEFORE YOU TAKE A CHECK!!

The above notice, and the one printed below, are part of the national educational campaign of the United States Secret Service.
