

# OUR PLEDGE TO YOU

**W**e, the undersigned retailers of beer and ale, believe with you that the interests of our community are best served by moderation, and the enjoyment of these beverages in clean, respectable surroundings.

So we pledge to you — the public — and to ourselves, the following:

*We will not sell after the legal closing hour.*

*We will not serve persons who have over-indulged.*

*We will not sell to minors under the legal age.*

*We will not permit any kind of disorderly conduct.*

*We will not allow questionable persons on premises.*

We believe that beer is a beverage of moderation -- a friendly wholesome drink that contributes to the country's welfare in sobriety, in high morale, in revenue from fair taxation. Whether you are a civilian or a soldier, sailor, or marine, we ask your full co-operation to help us observe these obligations.
