

# RAMBLERS LOOK TO BETHEL HILL AS NEXT CONTENDER

Roxboro Boys Play Good But Losing Game With Hillsboro.

By Tom Woody, Jr.  
A strong Hillsboro eleven supported by a hard hitting backfield, defeated the Roxboro high school team 13 to 0 Friday afternoon at Hillsboro. The first Hillsboro touchdown came in the third quarter as a result of a Roxboro fumble on their own 15 yard line. The ball was then carried over the goal line by a line smash. The extra was scored by another running play.

The second Hillsboro touchdown was similar to the first, in that they again recovered a Roxboro fumble. A short pass thrown to the wing back, registered another 6 points. The try for extra point failed. The Roxboro eleven put up a stubborn defense, but finally submitted to the constant pounding by Hillsboro.

The lineup for Roxboro was as follows:  
Line  
Holleman, LE, Wilkerson, LT.

Currier LG., Wade, Center; Crews RG, Jordan RI, Taylor RE, Backfield:

King WB, Clayton FB, Johnson BB, Newell TB.

Next Roxboro game will be with Bethel Hill Friday afternoon. This game always creates interest because Bethel Hill is probably Roxboro's best rival. The game will be played on the Bethel Hill gridiron. Bethel Hill was beaten by Oxford 64 to 0 and Roxboro beaten by Oxford 19 to 0. Statistics don't mean a thing in Roxboro-Bethel Hill clashes, so the game should be a hard fought and good one.

Immediate job will be that of putting the building in shape for use and getting chairs, tables and other furnishings. Mrs. Prigden, of the furnishings division has asked that citizens having tables, desks, comfortable chairs, game tables and chairs, lamps, pictures and other items they wish to contribute, call her during day hours at 2881, the Farmers' Mutual Exchange office, adding that arrangements will be made to call for all contributions.

Good and substantial used furniture will be appreciated. Games will also be wanted, as will magazines and newspapers and it is expected that provision may ultimately be made for sleeping quarters for some of the men.

Mr. Hunter, chairman of the United War Fund drive, expected to begin here on Oct. 25, pointed out that contributions above the national quota received here may be used in furtherance of the Service center and it is thought that once the center here is properly established and

# Vickers Boys Do Right Well In Army Service

Mrs. G. C. Vickers, of Roxboro, wife of the late Dr. Vickers, thinks that the Vickers boys, three of them, First Sergeant Theodore Vickers, of Fort Lewis, Washington, and now on maneuvers near Salem, Ore., G. C. Vickers a Corporal, Camp Cooke, Calif. and Pfc. Bill Vickers, of Orlando, Fla., now at home on furlough, are doing right well in the Army.

Theodore, in particular, who may come home for a visit in a few weeks, is in high spirits. Today he informed her that he has just been promoted to First Sergeant. As he says, "I have so many stripes on my arm I look like a zebra!"

# Toufielk Wants To And Does Purchase Bonds

Pfc. Toufielk Ameen, of Roxboro, son of Mr. and Mrs. Joe Ameen, who is stationed at Sioux Falls, S. D., believes in buying bonds. He writes this way to his parents: "I'm enclosing the check made out for \$500, so get me more bonds like the ones I already have. Get the largest you can. I believe one \$500 bond costs \$375, so get one, and use the rest of the \$500 to get smaller bonds. When you get these let me know how many I have."

Having gotten the War Bond business done, Pfc. Ameen mentions casually, "I almost forgot to tell you. . . I went up in an airplane yesterday afternoon, a small one, just about the size of the one Mr. (J. W.) Greene has. It had a radio on it and we flew all around; I was supposed to handle the radio, so I did. It wasn't hard at all."

# Aubrey Turns Up In Sicily, He Tells Board

An Orange County soldier, Aubrey T. McCulloch of Cedar Grove, Route 1, a one-time frequent visitor in Roxboro night spots—if you can remember when, decided that he ought to keep his draft board informed as to his change of address, and so Mrs. Mildred B. Johnson, clerk of Hillsboro Board No. 1 found the following letter on her desk this morning:

"Guess you will be surprised to hear from me. Do you remember that I am one of your unfortunate selectees?  
"I was on the invasion of Sicily. We came over with American troops from North Africa. While sitting in a foxhole going through my billfold, I happened to notice my registration card and I notice that it said to keep in touch with your draft board, so this is to inform you of my change of address. I am in a foxhole somewhere in Sicily. I will keep in touch with you from time to time."

"We are drinking plenty of vino and the senioritas are very beautiful."  
McCulloch was inducted into service at Fort Bragg on Sept. 10, 1942.
