Why Should We Study The Bible in Our Schools?

Study to shew thy self approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of the truth.—(2nd Tim: 2-15).

We should study the Bible to learn of God and of how Jesus healed people, how he died on the cross that we might be saved and to find out how to live right. We should learn too about the miracles done by Jesus.

(Written by Stanley E. Burgin, Student of fifth grade elementary school, Black Mountain. Miss Susan Currell, Bible teacher.)
