### New Registration May **Cause Small Election** Returns

This is election year. On May 25th, Democratic voters will select candidates for County and some State and Federal offices, and that, in the past has been tantamount to election in this

County. It is feared that returns this year will be small because the Buncombe County Board of Elections has called a new registration. This means that every man and woman in every precinct in Buncombe County must register or re-register, in order to vote in the May 25th primary. Registrars appointed by the Board of Elections were that most voters as yet

are unregistered. Registrars will be present at poling places on Saturday, May 4th, and again May 11th from 9 a.m. until sunset for the registration of voters.

Those citizens of Black Mountain Township, who live south of the U.S. Highway No. 70 register and vote in precinct No. 2, which is at the City Hall. In general, citizens living north of State Highway 70 will register and vote at the Grammer School building.

However, one section in the center of Town, bounded by Montreat Road, Dennis Ave., Connelly Street, Rhododendron Ave., and Craigmont Road is part of precinct No. 2.

## **TRUMAN TELLS PREACHERS HE NEEDS** THEIR PRAYERS AND CO-OPERATION

President Truman told 300 Washington clergymen Monday that this country is "having a lot of unnecessary troubles, brought about by selfish men who are thinking only of their individual welfare."

The churchmen met with the President in the Rose Garden of the White House to extend their greeting to him, just as they had done on a similar visit six years ago with President Roosevelt.

"The world is at the cross roads," the President said. "Either we are facing, as I have said time and again, the greatest age in history or we are facing absolute destruction of things as we know them now."

Mr. Truman said the United States came out of the war as a leader but expressed fear that since V-J Day it has been losing sight of its responsibilities.

"God intended us to assume them some 25 or 30 years ago," the President continued, "and we shirked them. We can't shirk them now.

"One of the immediate things which we are faced with is feeding the starving . . . you can help in that. You can make the people reailze their responsibility. You can awaken in them the moral responsibility that goes with leadership. Right here at home now we are having a lot of unnecessary troubles, brought about by selfish, men who are thinking only of their individual welfare." Mr. Truman expressed his appreciation for the clergymen's visit and they in turn pledged their

co-operation in behalf of the famine emergency program. In welcoming the churchmen, the President advised them: "I need your prayers. No one ever needed them more.'

As the concluding part of the program Mrs. A. W. McDougle, Semi - annual Court of music chairman of the Arts Club, introduced Mrs. Richard Lockwood, a student at Black Moun-

tain College. Mrs. Lockwood played three cello solos. Her piano accompaniments were played by her husband. The careful artistry of Mrs. Lockwood was admirably supplemented by the sensitive performance of Mr. Lockwood. The audience was enthusiastic in appreciation of their work, and joined with Mrs. Mc-Dougle in wishing the Lockwoods the happy life of Robert and Clara Schumann as they continue their musical careers.

In spite of the conflict of three other local events on that evening, there were 40 present, and several new members joined the organization, as well as renewals by former members.
