**NEW SERVICE STATION OPEN**

Marion's newest and most modern automobile service station, recently opened, is the Esso Station on North Main Street, under the management of Ken Young. In his newly remodeled and renovated site, Ken, who is a local young man recently returned from the armed forces, hopes to provide the "best service in western North Carolina" and the visitor will see that he has the equipment to do just that.

The station is completely equipped with the most modern facilities for lubrication, washing, minor repair work and complete servicing on any make of car. His equipment, says Ken, is the latest type manufactured since the end of the war. Three modern rest rooms are provided for the convenience of his patrons.

After leaving the Navy a few months ago, Mr. Young was Esso wholesaler in this area. However, when the opportunity to lease this station came along, he was quick to take advantage of it. He lives on the Lake Tahoma road with Mrs. Young and their small daughter, Lois Ann.

Mr. Young plans, for the present, to serve the public from the hours of 7:00 in the morning until 9:00 at night.

**Our Short Sermon**

By J. C. Cornelius

For the Spirit searcheth all things yea the deep things of God.  
1 Corinthians 2:10

Paul gave us light on our spiritual heritage in saying, "We received not the spirit of the world, but the spirit which is of God; that we might know the things that were freely given to us of God."

The things that are freely given to us of God are spiritual qualities such as life, love, and power. When we become aware of the Spirit of God in us, we have life in our body, love in our heart; we are filled with the power of Spirit that gives force and purpose to our living. It is only when our mind is illuminated with the light of Truth that we can conceive of the abundant life the Father would have us seek and live.

Today we begin anew to contemplate the deep things of spirit. The desire of our hearts is to know, to experience, and to demonstrate the Gifts of God that were freely given to us hence await our claim.

**Revival at Union Valley Church Ended Sunday**

A series of revival meetings ended Sunday afternoon with the baptizing and testimonial meeting at Union Valley Church, at Reems Creek, of which the Rev. B. Guthrie of Walnut N. C. is pastor.

The Rev. G.M. Reynolds of Homers Chapel Church of Black Mountain delivered the heart touching messages each night. With the help and cooperation of dear "Uncle Jim Swann of Black Mountain, whom every one loves so dearly, and many other friends from other communities; we had a glorious revival, with 19 conversions and renewals.

Our dear pastor, Rev. B. E. Guthrie, was very fortunate in securing the services of the Rev. G. M. Reynolds to help in this series of meetings.

Union Valley Church and community was also very fortunate in having visitors and special singers from the Homers Chapel of Black Mountain, on one occasion the Homers Chapel Church was represented by a large van load of faithful members and gospel singers. These friends and workers for Christ did great service and a special honor goes to Rev. G. M. Reynolds for his faithful and untiring service fulfilling his call and duty to God, and his work in God's vinyard.

The Union Valley Church and community as a whole are very grateful to these brethren in Christ, wishing them health in body and spirit the remainder of their journey of life and we believe that their reward will be great when God gets ready to take them home. Our dear uncle Jim Swann is waiting for his call, but not idle here while our Lord is preparing his mansion above.
